## This Thursday Evening

## Last Call To Attend Chamber Dinner

Everyone is invited to the Annual Chamber of Commerce Dinner-Dance this Thursday, Oct. 28th at the Chief Shoppemaggon Hotel. Tickets are still available for \$8.75 a person at the Village Shop and at the Chamber office in the City Hall. Phone numbers to call for reservations are 348-8414 and 348-3336, according to Dorothy Stockbridge, Chamber Manager.

Social hour starts at 6:00 p.m. with the full prime rib dinner starting at 7:30. New chamber members will be introduced and other individuals and businesses will be encouraged to join. Special thanks will be given to Jan Olson, Duane Sloan and Paul Thomson for their service on the Board of Directors.

University of Michigan Regent Gerald R. Dunn will address the gathering and then the floor show will start; [See Chamber on page 10]

## Voters to Decide on County Fixed Millage

By Ed Lowrie, Chrm. Finance Committee Board of Commissioners

The Crawford County Board of Commissioners at their July 1976 meeting acted favorably on the June 21, 1976 resolution presented by the Crawford County Tax Allocation Board requesting that Separate Tax Limitation Rates (Fixed Millage) be placed before the voters in the 1976 election.

Since the membership of the County Tax Allocation Board is representative of all local units of government, County, Crawford AuSable Schools, Townships, Intermediate Schools and

the taxpaying citizens, the County Board of Commissioners felt the request should be honored and placed on the ballot for the taxpayers consideration.

The proposal as it will appear on the ballot will assign millage rates to each local unit of government as follows: County of Crawford 6.50 mills, all Townships 1.10 mills, Crawford AuSable Schools 7.10 mills, C.O.O.R. Intermediate Schools .30 mills for a total of 15.00 mills assessed, for a period not to exceed 3 years or until altered by the voters and not in excess of 15.00 mills.

There are several advantages to the taxpayer in the Fixed Millage Proposal system as opposed to the current method of millage assignment using a County Tax Allocation Board.

First, there would no longer be a need for a Tax Allocation Board that ordinarily holds several meetings each year, thus saving Crawford County about \$3,000.00 over the proposed 3 year term of the proposal.

Second, it would no longer be necessary for each governmental unit to draft a preliminary

## Mid-Decade Census In Beaver Creek

Beaver Creek Township is also conducting a mid-decade census, according to Township Clerk, Florence Nelson. The census will begin immediately.

The cooperation of all township residents is requested.

## Adult Recreation Program

On Monday and Wednesday nights, from 7 until 10 p.m., the Middle School Gym is now available for an Adult Winter Recreation program.

Among the activities that will be offered are basketball, volleyball, weight-lifting, ping pong and non-contact activities such as chess, cribbage, etc.

The cost is \$1.00 at the door or there is a seasonal pass available. Come and bring your friends. The program will run from November 3 to May 1.

For more information concerning the Adult Winter Recreation Program phone Howard Taylor at 348-7641, ext. 27 or Don Kohnert at 348-8224.

## Expect Record Turnout Tuesday, Nov. 2

# Local Contests to Spur Election Here

One of the largest voter turnouts in the history of Crawford County is expected next week when the nation goes to the polls Tuesday, November 2nd to select a president.

While the attention of the nation will be focused on the main question of whether Gerald R. Ford or Jimmy Carter will become the country's next president — several local contests in the township and county offices, plus a contest for Judge of Probate (non-partisan) and a local proposal, are expected to spur the local electorate to the polls in record numbers.

On the congressional and state level, voters here will choose between Donald W. Riegle, Jr., (D) or Marvin L. Esch, (R) for U.S. Senator to replace Senator Philip Hart who is retiring, and also vote for a Representative in Congress, 11th District, between incumbent Philip E. Ruppe (R) or challenger Francis Brouillette, (D). For Representative in the State Legislature, 103rd District, incumbent, Ralph Ostling (R) is being challenged by Dean L. Welch (D).

For county offices, Thomas E. Kent, who won the

Republican nomination for Prosecuting Attorney, is being opposed by John B. Huss who is seeking reelection as a sticker candidate. For the office of Sheriff, incumbent Harold A. Hatfield (R), is being challenged by L. Curtis Haas, (D). For the office of Register of Deeds, Lawrence Hunter, incumbent (D), is being opposed by Glenn E. Sawyer (R).

County Clerk Leo Lovely, and Treasurer Joseph Wakeley are unopposed.

For the office of Crawford County Judge of the Probate Court, county voters will choose between incumbent Emil L. Kraus and David R. Sabin. Circuit Judge William A. Porter is unopposed for the 46th Circuit Court. Electors will select three Justices to the Supreme Court, and a Judge of the Court of Appeals on the non-partisan ballot.

There are only two contests for seats on the County Board of Commissioners — In District 2, Lawrence Mattis (D) is challenging incumbent, Patrick E. Harwood, (R); and in District 3, Mary Elaine Harland (R), and Doug Antcliffe (D), are vying for the seat vacated by Joseph LaGrow who is

not seeking reelection.

Following are the contests for offices in the several townships, excluding possible write-ins:

South Branch Township—Supervisor: Michael McGillis (D) and George Rybicki (R).

Lovells Township—Constables: Lawrence F. Wilson (D) and James H. Brown (R).

Maple Forest Township—Treasurer: Yvonne A. Bind-schatel (D) and Martha J. Peterson (R).

Beaver Creek Township—Supervisor: James P. Michaels (D) and John Small (R). Clerk: Virginia Millikin (D) and JoAnn Cooper (R). Treasurer: Jerry M. Kraycs (D) and Anna Mae Neilson (R). Trustees: Joan Patterson (D) and Kenneth S. Wyman (R). Constables: Donald E. Griffith (D) and Elgin L. Durga (R).

Frederic Township—Trustees: Barbara Hinkle (D) and Allan D. Leng (R).

County voters will decide on one County Proposal along with four State Proposals on a separate ballot.

## Meeting On Govt. Loans Fri., Oct. 29

There will be an important meeting on Friday, October 29, at 7:30 p.m. in the Senior Citizens Center for those persons in the City of Grayling and Grayling Township (the area north from M-72 - Huron St. - to the AuSable River and from State St. east to I-75). This meeting will be held to give information and to answer any questions regarding the loans from the Crawford County Housing Commission. A member of Fetzter Broadcasting Company, Channel 9, in Cadillac, has been invited to attend this meeting. Also, some of the builders and contractors, who may be doing the work, will attend.

These loans will be for home repairs to bring homes up to the Crawford County Minimum Housing Code. One concern brought up in the meeting in Frederic on Friday, October 22 was whether or not these repairs would raise property taxes. If there were any property taxes raised, it would be very little. Only in cases of major structural changes would there be any increase. In

## Red Cross Fund Drive At Three Quarter Pole

By Harrison Goodhue, County Red Cross Chairman

But, it has only raised \$2750, just over two thirds of its goal at this three quarter mark!

There are now 127 contributions, averaging \$21.65. The percentage of increased gifts continues at the heart warming rate of 35%, decreases are only 4%, new gifts are at 8% and unchanged remains at 53%.

Our business community is coming up. There are now five corporate gifts of \$100 or more, two of which are increases. There are another four businesses who gave \$100 or more last year that we are confident will again support American Red Cross in the same generous manner.

And, we still have hopes that two of our outstanding local entrepreneurs will join this select group of Red Cross financial supporters!

We went through our records of contributions of past years to develop a forecast of how we might finish up this year's Drive. There are 49 private contributors who gave \$539 last year, and 39 business contributors who made corporate gifts of \$795 last year, from whom we have not yet received donations to this years drive.

If these 88 good neighbors contribute at least as much this year as last, Red Cross contributions will reach \$4084 and we will meet our goal!

So, good friends of Red Cross, if you haven't sent in your gift as yet, please, please, get that self addressed envelope and make out your check right now for at least what you gave last year and put it in the mail today!

If you can't find the envelope, or if we didn't send you one, just send your check to Crawford County Chapter-American Red Cross, RR#3, Box 3162, Grayling, 49738.

You'll feel better all day for having done your good deed!

And, you will have earned the sincere gratitude of all the Crawford County Red Cross Volunteers, in whose name we thank you all!

## Host Boyne Friday Night

## Northmen Sink Vikings, 20-8

By Jeff Schrader Avalanche Sports Writer

Grayling's conference record dipped to 1-3 following Friday's loss to the Petoskey Northmen, 20-8. The Vikes close out the home season this Friday when they host Boyne City. In last week's game, Grayling won the first half but Petoskey stormed back to win the second half convincingly, along with the game.

In spite of the loss, Grayling's punter, Marty O'Mara may be in the Michigan High School Record books. O'Mara boomed a punt in the 1st half which was officially recorded at 83 yards. Aided by a tailwind, O'Mara's kick carried from Grayling's 15

'Trick or Treat'

Halloween "Trick or Treat" hours are suggested by the Grayling City Council to be from 6:00 p.m. to 8:00 p.m., Sunday, October 31.

Parents and others are reminded that those homes wishing to participate should have their front porch light turned on. Also, that there is a 10:00 p.m. curfew for children under the age 17.

Please request that your children wear costumes that can be seen and that they can see out of, be careful crossing streets and look out for cars. We want everyone to have a safe and happy evening.

## Warning

Inactive Duty Training will be conducted by units of the Canadian Militia during the period 30-31 October 1976. The various ranges located at Camp Grayling will be utilized during this period.

The Air To Ground Range located on the Artillery Range, which is north of County Road 612 and east of Guthrie Lake, will be utilized during the period 27-31 October and 1 thru 6 November 1976.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

## 1752 Receive Flu Shot in County

By Harrison Goodhue, County Red Cross Chairman

At a little after seven last Wednesday night the two day Swine Flu Immunization Clinic held in the American Legion Hall in Grayling closed on a very successful note, except, per-

haps for one of our good citizens who arrived about ten minutes after closing and unfortunately the "guns" and syringes had already been disassembled and were being prepared for shipment to Traverse City yet that night for the clinics starting there the following

morning, and we could not give him his "shot".

It was a tired but happy crew of Michigan Health Department Staff and Red Cross Volunteers. It had been a smooth, efficient and effective operation from start to finish!

1752 of our fellow citizens were immunized during the 12 hours of the two day clinic; 801 on Tuesday and 951 on Wednesday. That is an average of 146 persons per hour, or 2.43 individuals per minute! The heaviest hour was from 1 to 2 p.m. on Wednesday when 257 people were immunized, over 4 every minute of that hour!

The Red Cross Volunteers were inspiring. They all worked steadily, competently and effectively. Most worked two or more shifts, and many worked all four - the complete two day program.

## Hunter Safety Class Set

A Hunter Safety Class, sponsored by the Department of Natural Resources, will be conducted at the Middle School for three evenings during the next week. The classes will be from 7:00 to 9:00 p.m. in Room 44 on October 28, November 2 and November 3.

Both boys and girls may attend. Students must attend all three classes. Please be on time.

If you have any questions, please call the Dept. of Natural Resources at 348-6371.

## Building Fund Grows

The ROOC building fund is still growing, thanks to more of our Grayling contributors, who are as follows:

Callahan's Sunoco, Arrowhead Restaurant, McEvers Ins., Vaughn's Sunoco, The Grayling House, Sandy's Value Homes, True Value Hardware (Down River Grocery), Grayling Industries, Olson's Funny Farm, Gambles, Rochette's, Davis Jewelry, Big Boy, the Family Shoe Box, The Comfort Center and Chief Shoppemaggon's Hotel.

## Will Roach, Winner of Golden Helmet Award

The Bay City Times sports department headed by Sports Editor, Mike Sturm, selected the Vikings' Will Roach as the Class C winner of the Coca-Cola Golden Helmet award for his play against St. Ignace.

Following is in part of Sturm's column, announcing their selections, which also includes players from the other class schools—

"This week's Class C choice over some exceptionally tough competition is Grayling's 5-11, 165-pound speedster, Roach, who is almost perpetual motion in the offensive backfield. When running mate Al Johnson was injured early in last Friday's wide-open, 34-26 loss to St. Ignace, Roach took in all the slack.

He carried the ball 38 times (Grayling ran a total of 65 plays from scrimmage), gained 320 yards, and upped his season's total to 930 yards in 103 tries, with nine TDs and two conversions. And he still finds time to play defense as weak-side safety."

## George Blaha Joins WJR For Detroit Pistons Broadcasts

WJR Radio and the Detroit Pistons announced today that George Blaha and Tom Hemingway will handle the 52 Pistons broadcasts on WJR/76 this season.

Tom Hemingway, of station WUOM / Ann Arbor, starts his sixth year on the Pistons' radio broadcasts, while Blaha begins his first year. Tom and George will be splitting the play-by-play on the Pistons games.

Newcomer George Blaha is an 8-year broadcast veteran, his career including news and sports positions. George graduated from the University of Notre Dame in 1966 with a B.A. in Economics. In 1968, George earned his M.A. at the University of Michigan in Business Administration. He is in his sixth year of broadcasting Michigan State Football for stations WJIM and [See Blaha on page 2]

There will be a meeting of the Downtown Merchants Association Thursday, October 28, at 12:00 Noon at Chief Shoppemaggon's Hotel.

## Chamber Plans Annual Redcoat Roundup, Nov. 13, 14, 15

Fresh snow sugars the land ... that clean, cold sharp nip is in the air ... Soon our bronze and mahogany forests will be speckled with scarlet clad hunters eager to obtain venison for the family larder this winter. Our Crawford County deer herds have always lured folk from near and far. This year will be no exception.

The 11th annual Redcoat Roundup will be held November 13, 14 and 15th at the City Park. This event is

sponsored by the Grayling Regional Chamber of Commerce. The familiar \$1.00 red and white buttons for participants are now at the Chamber office and will soon be available at various area businesses. Don Meloche, local hunting and fishing guide has been distributing the red and white posters all over town, Chamber Manager Dorothy Stockbridge stated.

carried for 5 yards, and then Mike Money sprinted all the way to Petoskey's 23 yard line. Roach then carried the ball to paydirt and a 2-point conversion thrust Grayling into an 8-0 lead.

The only score in the 2nd quarter occurred when Petoskey's Mark Hoch sprinted in for a TD to make the score 8-6. That was the score at half time after Petoskey's conversion attempt had been blocked. After a fine performance by the Northern Marching Band, the second half started and the tables seemed to turn on the Vikings.

The Petoskey offense took the opening kickoff and began to assert itself. The Vike defense was unable to stop the Petoskey ground game led by Hoch, and even more importantly, halfback Mike Doctor, who ripped off good yardage on every carry. Hoch darted in from the Grayling 15 for the T.D. and Petoskey took over the lead which they never relinquished, 13-8.

Tailback Will Roach, was injured on the next offensive drive and was unable to return for the remainder of the game.

Petoskey closed out the scoring with another TD early in the fourth quarter when Mark Doctor, a thorn in Grayling's defensive side all night, carried it in on a long scoring jaunt. The final score wound up 20-8. Grayling closes out this year's conference slate when they

travel to Cheboygan to face the league leaders on November 5th.

Coach Klinger reported that Vike tailback - Will Roach - suffered a severely bruised shin, but is expected to be back in action this Friday against Boyne City.

Offensively, Roach gained 106 yards in 17 carries, scored the Vikes TD and a 2 point conversion. Money gained 65 yards in 4 tries, and Scotty Johnston 33 in 7.

Leading the Vikes defense in tackles were: Alan Johnston and Olsen with 14 each, Scotty Johnston 12, Grant Byce 11, and Chip Nicholas and Ross Helmick 10 each.

"Petoskey just beat us off the ball in the second half," coach Klinger stated. "This was a tough loss, fumble and a couple penalties took us out of scoring opportunities. We will have to eliminate these mistakes in our last 2 games if we expect to win," coach added.

"The punting of O'Mara was tremendous. Olsen and Money ran our option real well, and the play of Alan Johnston coming off an injury was encouraging," Klinger concluded.

The Viking J.V. squad played Petoskey here at home on Thursday and got thumped 26-6. Mickey Roach scored Grayling's only TD. The Freshman Football Team also traveled to Petoskey last week only to drop the contest, 24-12. Rocky Tobin and Jerry Luckstead scored TD's for Grayling.

Clocks Change  
Sun., Oct. 31

Many Michigan motorists will be driving home from work in darkness - the most dangerous period of the day - after the switch from Daylight Saving to Eastern Standard Time Sunday, October 31, at 2 a.m., according to Automobile Club of Michigan.

There will be added safety for the children walking to school because of the extra hour of daylight in the morning, but motorists will find the earlier arrival of darkness puts them on the road at the time most fatal traffic accidents occur.

"Nearly two - thirds of Michigan's fatal traffic accidents are the result of nighttime driving during the final three months of the year," stated Arthur Gibson, Auto Club's Safety and Traffic Engineering manager.

To adjust to driving in late - afternoon darkness, Gibson gives this advice:

Reduce your driving speed while increasing distance between other cars.

Keep windshields, headlights and taillights clean to insure maximum visibility.

Be especially alert for pedestrians and bicyclists.

Kirtland To  
Give P.A.C.E.  
Test Nov. 6th

The first P.A.C.E. Test, for the Fall, 1977, class of Practical Nursing, will be given at Kirtland Community College, in the College Auditorium, at 9:00 a.m. on Saturday, November 6.

The P.A.C.E. Test is a "Pre-Admission and Classification Examination", given by many practical nursing schools throughout the Nation. It is a service of the National League for Nursing and the cost is \$6.00, payable at the door. It tests arithmetic, science, health and general information, vocabulary and reading and takes approximately 4 hours to complete.

An applicant for the Fall class of practical nursing should first contact the Admissions Office at Kirtland for application and reference forms, and should have high school and college (if any) transcripts on file.

The tests are scored in New York and scores returned to the school in 4-6 weeks. Applicants will be notified by mail of their results and interviews will then be scheduled for those who successfully passed the test.

Each class is limited to 34 students. The selection of the best qualified applicants is done by an Admissions Committee and is based on the above information, (application, transcripts, reference, PACE Test and interview record). A satisfactory completed physical examination, by the applicant's physician follows as the final requirement. Please contact the Admissions Office for further information at 275-5121.

Audubon  
To Meet

The Kirtland Audubon Chapter will meet Thursday, November 4, at 7:30 p.m. in the Commons Room, Kirtland Community College Student Senate.

John Shaw will present a program on "Nature Photography". Mr. Shaw has requested that guests should be prepared to ask questions.

The program committee is asking for suggestions. Mrs. Sarah Oppy has already responded. We hope you will come well endowed with stimulating suggestions.

GRAYLING, MICHIGAN — THURSDAY, OCTOBER 28, 1976

## From Our Corner...

First off, let us remind one and all who may have turned to our corner for a peak at the action — Next Tuesday, Nov. 2nd is national election day ... we mention it here just in case you hadn't heard.

In our opinion, it is the most important day in the lives of all of us who wish to continue in our way of life...

The clergy may argue that Christmas and Easter are the days. Veterans may claim Memorial or Veterans' days are the important ones. The merry-makers and hopefuls look to New Year's Eve and the coming year for their choice, while many will say Thanksgiving Day and Independence Day brought us what we have today.

Our reason ... no place on this earth is the democratic voting system available to the people as we know it.

This day — you — have the privilege of selecting those persons who will guide the destiny of the country from the national level, down through to the grassroot offices of township government. Plus, deciding on proposals, amendments or new laws that will govern your life.

Think about it. Vote as if your life depends upon it ... because it does.

† † †

A couple parting thoughts ...

We enjoyed ourselves at the orange pop league's golf party Saturday night. As told, we were the recipient of our much-needed golf balls, and as we expected, missed out on one of those extra door prizes — but then, a long time ago we found out you can't win 'em all.

† † †

At this point Monday evening our most pleasant thought is our planned weekend with T.J. and her puppy(?), and those who watch over the bigger boss.

Dr. Ralph E. Hoffman, formerly of Saginaw, has opened an optometry office in Grayling located at 216 Michigan Avenue, over the Grayling Gift Shop.

Dr. and Mrs. B. Elmore Henig and daughters have moved into their new home, the former R. Hanson residence.

Mrs. Ben DeLaMater spent the weekend in Saginaw visiting Mr. DeLaMater.

Mr. and Mrs. Carl Hanson and Mrs. Marie Hanson spent the weekend in Battle Creek visiting the Carl Dean Hanson family.

Miss Mary Ellen and John Madill of Flint spent the weekend with their parents, Mr. and Mrs. Charley Madill.

Mr. and Mrs. William Nowlin of Roscommon arrived Friday night to spend the weekend with her mother, Mrs. Elroy Barber.

Miss Rita Barber also spent the weekend here.

Miss Linda Weaver, the daughter of the Raymond Weavers, last week celebrated her birthday with a weiner roast at the orchard. Several of her little friends attended.

The Rev. and Mrs. Holly Luter and Phillip and Suzanne spent Monday and Tuesday of last week in Marine City where on Monday they attended the ordination of a friend, Maurice Downer. They were guests of the Downers while there.

William LaGrow and son, Jim, and Harry Sorenson spent Wednesday and Thursday of last week in Port Sanilac, bird hunting.

Mr. and Mrs. Fred Ward and sons of Berkley visited Mrs. Ward's parents, Mr. and Mrs. Thomas Wells.

Mrs. K. K. Kitchen of Bay City arrived home Wednesday to visit the home of her son Martin Kitchen for a week or more, coming to help take care of the new little granddaughter.

Eugene Papendick and son, Clarence, Clyde Anthony, and Frank May, Jr., were in Pinconning last week pheasant hunting and each one came home with their limit. The hunters were guests at the home of Mr. May's uncle, Mr. George Bugby.

Lilwyn Doremire and son, Tony and Robert LaMotte and son, Bobby, enjoyed pheasant hunting in Midland the opening of the season and had fair luck.

Col. and Mrs. R. C. Vandercok have returned to their home in Lansing after spending the summer at their cabin down river.

Richard and Sally Brady accompanied their parents, Mr. and Mrs. John Brady, home after the latter had spent a few days visiting among their children in Detroit.

Mr. and Mrs. Thomas Welsh and son, Tommy, spent from Wednesday to Sunday in Vassar pheasant hunting while there visiting Mrs. Welsh's mother, Mrs. James DuBois and sister, Mrs. George Stanley and family.

Mrs. George Woods, of Detroit, is visiting her daughter, Mrs. Gordon Pond and other relatives here for a few weeks.

Misses Margrethe and Olga Nielsen spent the weekend in Saginaw.

LeRoy Papendick of the Avalanche force has been confined to his home the past week because of an abscessed tonsil.

### 46 YEARS AGO October 30, 1930

Miss Helen Babbitt has resumed her position at the Grayling 5 and 10c store.

Mr. and Mrs. William Golicnik are happy over the arrival of a son, born Wednesday.

Miss Alice Miller, aged 19 years, oldest daughter of Mr. and Mrs. Guy Miller of Bay City passed away at a hospital there following an operation. The remains were brought to Grayling for interment at Elmwood Cemetery.

Jacquet Linda Miller, 8 years old, daughter of Mr. and Mrs. John Miller, of Burke apartments had the misfortune of running a needle into her foot one night last week. She had to be taken to Mercy Hospital to have it removed.

C. C. Hagle is opening a photo studio upstairs in the Avalanche building.

Misses Ann and Helen Brady visited friends in Detroit during the school vacation, caused by the Teachers Institute.

Don Cox of Flint visited Miss Kathryn Brown first of the week.

Dr. and Mrs. C. R. Keyport and daughter Jayne attended the Michigan - Illinois football game Saturday in Ann Arbor.

You can remember the good ol' days when it was regarded as rather devilish to read a novel by Bertha M. Clay.

### 69 YEARS AGO October 31, 1907

Married at the residence of the bride's father in this village on October 23, Miss Augusta Olson and Andrew W. Smith, Rev. A. C. Kildegarde officiating.

In the upper peninsula many lumbermen are going back to the first principles so to speak. Oxen which in the early days of lumbering in Michigan were used extensively in hauling and skidding, and are being brought into requisition and may again supplant horses for that work.

Reports are to the effect that deer are very numerous in the upper peninsula this year.

Fred Culver of Saginaw, well known here is visiting his sisters, Mrs. George L. Alexander and Miss Culver. He is looking fat and prosperous.

A railroad smashup near the south semaphore in this village Monday was the result of carelessness. The steel gang had two rails out and sent out flagmen as usual but it is reported the man who went south kept his flag rolled up under his arm and the Cannon Ball came around the curve and down the steep grade, piling up the engine, tender, and seven cars loaded with merchandise.

James Hartwick came up from Jackson for a short visit with old friends here.

Nels Sorenson of Houghton Lake has purchased a residence on the south side of the river and will reside here.

## The Bible Speaks

From Calvary Baptist Church

### Sins of Thought

We sin by thought, word and deed. The beginning and end of sin are described in James 1:14,15: "But every man is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin; and sin, when it is finished, bringeth forth death." It begins with the temporary thought pleasures of lust and ends in the divine judgment of death.

Sins of thought became controversial when a candidate for the presidency of the United States was recently quoted as saying that he had sinned in the past by looking on other women with lust in his heart. The Bible says, "The heart is deceitful above all things, and desperately wicked: who can know it." Jer. 17:9. Jesus said, "For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: These are the things which defile a man ...". Matthew 15:19,20a.

Many people feel that because they have never committed overt immoral acts within society, they are not sinners before God. This is why Jesus repeatedly told the people of their sins of the heart. "Ye have heard that it was said by them of old time, Thou shalt not commit adultery: But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart." Matthew 5:27,28.

Society may be fooled by our outward piety, but God isn't fooled. He knows the secrets of the heart, Psalm 44:21. "The Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart." I Samuel 16:7.

There is a day of judgment coming. "In the day when God shall judge the secrets of men by Jesus Christ according to my gospel." Romans 2:16. Those who refuse to confess their sins shall grow harder and harder in their hearts. They shall store up more and more of God's wrath and punishment. "But after thy hardness and impenitent heart treasurest up unto thyself wrath against the day of wrath and revelation of the righteous judgment of God." Romans 2:5.

How do we deal with sins of the heart? "Who can say, I have made my heart clean. I am pure from my sin?" Prov 20:9. Man cannot cleanse his own heart. The answer is in Acts 8:22: "Repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee." Pray the prayer of David: "Create in me a clean heart, O God: and renew a right spirit within me." Psalm 51:10. Then we can be assured of God's promise: "Blessed are the pure in heart: for they shall see God." Matthew 5:8. (adv.)

Pastor Barnett

## Residents of Crawford County

**Curt Haas** has spoken with many of you during the past few months. He's talked about his experience, his ability to do the job, and his desire to serve you. It is an impossibility for him to talk with each and every one of you. I wish he could, because I am sure you would be impressed by his honesty, integrity, and sincerity.

It is refreshing to work with a candidate for political office who feels he can be elected on his own merits.

Curt believes that it is not necessary to attack and belittle the existing administration. This tactic is all too obvious in the national and state level campaigning.

Curt's entire campaign has been low key. Campaign contributions collected thus far total \$345, which is less than the cost of two full page ads in this paper, and we do not expect our expenses for the General Election to be much over what we have collected. Curt will be as thrifty with your tax dollars as he has been with his supporters contributions.

Curt has the qualifications, the experience, and the desire to serve you, the residents of Crawford County. What he needs now is YOU! Please vote for Curt Haas on November 2nd.

Thank you!

## Capitol Capsules

**By Rep. Ralph Ostling Health Care.** A nine-month study by a House Republican Investigating Committee has concluded that Michigan does not need national health insurance coverage, due largely to organized labor's efforts to ensure health care for everyone.

**Obvious First:** Last week the state sent \$5.8 million to the Detroit School District following a federal court order to help pay for Detroit's de-segregation program. This is thought the first time the state's spent money without legislative action.

**Transit Grant:** President Ford has said that Michigan will receive \$600 million to help build improved public transportation in southeastern Michigan. When construction starts, this will directly create over 15,000 jobs and stimulate many more.

**Thoughts on "D":** Proposal D would let the legislature establish a graduated income tax. Governor Milliken has urged a "No" vote on D, since its adoption could wipe out many of the tax-credit and exemption advantages lower income citizens now have. Meanwhile, the Treasury has said that Proposal D would increase the cost of collecting taxes.

**Thoughts on "C":** Proposal C would set a limit on state taxation and spending. Many special-interest groups have gone on record against this. But the man who this month won the Nobel Prize for Economics has said that a "Yes" vote for C would force the state to live within its means and could set a good example for many other state governments.

**Daylight Time:** Next Sunday being the fourth Sunday in October, Daylight Saving Time will expire at 2 a.m. on October 31. At that time, or earlier, you should set your clocks back one hour. That gives you an extra hour to sleep or work on Sunday.

**Medicaid Recovery:** The Governor last week signed HB 5422, which strengthens the state's ability to recover health care funds from private insurers on behalf of those eligible for Medicaid. This can save the state millions of dollars a year.

**Mechanics Test:** Although a judge recently ruled parts of the new auto mechanics licensing act unconstitutional, the Secretary of State is going ahead with tests for motorcycle mechanics anyway on a voluntary basis. These certification tests will be December 11.

**Hunter's Test:** Since hunting season will soon be in full swing, hunters should always ask themselves some common-sense questions: Is the safety on? Do you know where others are? Are you wearing hunter's orange? Do you unload before crossing an obstacle?

## Bids Wanted

Sealed bids will be received by the Grayling Township Board until 12:00 noon on October 29, 1976 at 103 James Street or P.O. Box 521, Grayling, Mich. 49738 for the following:  
Haul and dump a 42 yard roll off refuse container (Purvis Bros.) from the compactator location on the North Down River Road just west of I-75 to the Crawford-Otsego Landfill.  
The compactator facility is expected to open about November 1, 1976.  
The Board reserves the right to reject any or all bids and to accept any bid it determines is in the best interest of Grayling Township. 21-28

## FIRST BAPTIST CHURCH OF FREDERIC

Our Sunday School Contest which closed and our missionary conference both were a success. The Sunday School contest dinner will be held after the morning service on Sunday, November 7.  
Some of our members have left for the sunny south and more are expected to leave in a couple of weeks. Let us all work together and get our attendance number back in the 80's.

The Youth Rally will be held in Grayling November 6, 7:00 p.m., at Calvary Baptist Church. Let us work hard for the banner and bring it back.

One of our Sunday School members - Mrs. George Lodge, has returned from St. Mary's Hospital, Saginaw, after having surgery.

## Amateur Radio License Class

There's still time to sign up for the pilot instructional program for obtaining a Novice Amateur Radio License. The first class is scheduled for November 3, from 7:00 to 9:00 p.m. in the Michigan Consolidated Gas Co. meeting room.

A limit of 25 persons must be adhered to with admission to those who sign up first. Students of Middle School age are preferred, with a few adults to help.

Instructor will be Bill Millard, who is a licensed amateur radio operator. Anyone interested may call George Erickson at 348-8746 or Mr. Millard at 348-8916.

## ATTENTION BEAVER CREEK TOWNSHIP VOTERS

If you want your Township run like a business, which it is, then Vote for Jim Michaels for Supervisor. You will be pleasantly surprised with the quiet courage and ability to lead out in service to you. If you have questions, please feel free to call me at any reasonable hour. I will not, however, discuss or pass on gossip. This office demands a professional attitude which is important in these times. Vote for Jim Michaels, Democrat, in fact the only one on the ballot who still wants to serve you, as per ad run previously in this paper. Phone 275-8030. (Pd. Pol. Adv.)

## OBITUARIES

### FORMER RESIDENT DIES OCTOBER 21st

Mrs. Edith May, 68, a former resident of Grayling, passed away suddenly on Thursday, October 21, in Los Angeles, California. She was born in Rogers City, Michigan and was married to the late Arthur J. May of Grayling in October 1937.

They made their home in Grayling until 1947 when they moved to Montague, Michigan and from there to Los Angeles in 1970.

Mrs. May is survived by a son, Roger; three grandchildren; a sister, Mrs. Ruth Yarch of Rogers City, and a brother, Roger Shurtum of St. Louis, Missouri.

Funeral services were held October 23 at Inglewood Mortuary, Inglewood, California.

## Millage

(Continued from page 1)  
budget for the Allocation Board to consider, again effecting cost savings for each unit. The County alone will save approximately \$3,000.00 over the 3 year term of the proposal. The fact that the preliminary budget must be drafted some 22 months in advance by each governmental unit leads to gross inefficiencies and inaccurate cost estimates.

Third, it places the determination of the tax millage rate for each unit of government squarely where it belongs, in the hands of the voters who pay the taxes, and the millage rates cannot be increased except by their vote.

Fourth, Most importantly it will allow each of the governmental units to reduce its millage rate without allowing any of the remaining units the option of adding the reduction to its own millage rate and thus no savings being passed on to the taxpayer. This is not true of the existing Tax Allocation Board system where any reduction in millage by a unit is invariably picked up by one or more of the remaining units and the maximum millage is assessed with no savings being passed on to the taxpayer.

In summary we believe the Separate Tax Limitation Proposal (Fixed Millage) deserves your support because:

1. In no way will the proposal allow an increase in the total millage presently being assessed but will in fact allow the possibility of a reduction in millage and as a consequence a reduction in property tax rates.

2. Definite savings in costs of operation for all governmental units.

3. Once adopted, the millage rates cannot be increased without a vote of the taxpayers.

4. The proposal will terminate in 3 years at which time it would be subject to a vote of the taxpayers.

5. Places the tax rate determination more directly in the hands of the taxpayer.

6. Many counties in this state have recognized the benefits in fixed millage and have adopted the system.

Department Staff: Myrtle McPhail, Dorothy Sorenson and Ed Schoonover, were there every minute of the two days and were towers of strength for the Red Cross Volunteers.

This is the largest community activity of this nature ever attempted in Crawford County, we understand, and we hope that every one in this community will share our pride in our Good Neighbor Volunteers who gave so unselfishly of their time and effort to accomplish this mass immunization program so excellently.

Crawford County Chapter of American Red Cross wishes to pay public tribute to each of our Volunteers who made this operation possible, and we hope you will want to honor your Good Neighbors and acknowledge the community's debt of gratitude which they so richly earned.

Here is the roll of honor:

Mrs. Evert Jones has spent the last three weeks visiting her family. She spent a week each with Jack and Kathy Jones and Heather in Lansing where they have purchased a new home; with Richard and Jill Boyd and Susan in Flint and with Joe and Beverly Walsh and family in Pigeon. Evert spent the time camping and hunting while she was gone.

Mr. and Mrs. Richard Boyd and Susan are spending several days here visiting their parents, the Evert Jones.

Inez Eison, a former Grayling teacher has been visiting in Grayling and staying with Mrs. Bessie Deckrow. Mrs. Mary Lytle has returned to Grayling after spending two weeks visiting her son and family, the Claude Lytle, Jr.'s, in Grosse Ile for two weeks.

Mr. and Mrs. Robert Bovee and Mrs. Rosa Christenson spent the weekend in New York. They went to attend a reception for their daughter, Billie and her husband, Richard Smith, at the home of his parents, Mr. and Mrs. Andrew Smith in Mineola, L.I. This was Mrs. Christenson's first plane ride in her 90 years and she really enjoyed it.

**Notice Voters  
of Beaver  
Creek Twp.**

There is much confusion in the election of supervisor for the upcoming election. This will serve as notice that I, James Michaels, am a Democratic candidate for the office of Supervisor. I have never faltered in my decision to want to be of service to you, the taxpaying public.

With 30 years of service to people in business and government, I will be just as firm in serving you as I have in running in the Primary and now in the General Election. I feel we all need a leader in this position and if anyone wanted to be elected by the people, why did they not run in the first place?

This situation is more confusing by the day. It could be that none of the candidates will be the Supervisor, but instead a party that would be appointed by the Board, not necessarily your choice or the best person for the job, and possibly have special interest backing.

I am semi-retired and can well afford the time that must be spent doing a good job for you. I am available - interested - and have the courage to stand up for what is right.

## Final Plans For Women's Retreat Made

Final plans are now being made for the fifth annual women's retreat at Boyne Mountain on November 12th and 13th.

Rosalind Rinker, noted author, will be the retreats main speaker. Rosalind, a graduate of Asbury College, spent fourteen years as a missionary in China. On returning to this country, she became a counselor for college students, working with Inter-Varsity Christian Fellowship for twelve years.

Registration will begin Friday afternoon at 2:00 p.m. in the lobby of the convention center. The opening session will begin at 6:45 p.m. with Rosalind Rinker speaking. Following will be opportunity to attend a choice of first mini-session and time for sharing groups.

Saturday opens with a complimentary breakfast - and then time for sharing groups, second mini-session, lunch, third mini-session and closing session. The Book Nook will continue to be opened at convenient times.

Room reservations must be in on or before November 5, to Win-Some Women, Box 503, Petoskey, Mich. 49770. More information and registration forms may be obtained by contacting your local area coordinator, Sandy Freeman or they may be picked up at Glen's Market in Grayling. We are urging all who are planning to attend, to make your reservation immediately. Due to the increase in the number of retreat participants, phone reservations cannot be accepted.

The retreat is sponsored by the Neighborhood Bible Study groups in Petoskey. Women from 10-12 different church denominations make up the study groups. All women are invited to attend.

**Cheese Cooking**  
The most important thing when cooking cheese is to remember that it is very sensitive to high temperatures and to prolonged periods of cooking. Overheated cheese usually forms a rubbery crust and tends to toughen after cooling.

Harold A. Hatfield  
Crawford County Sheriff  
Grayling, Michigan 49738  
Sheriff Hatfield:

I was instructed by unanimous vote of the Directors of the AuSable River System Property Owners Association, to express their complete satisfaction with the operation of the Special River Patrol on weekends, which was paid by the Association.

Your plan for the patrol from June 25 through Labor Day, and the execution by Corporal Coe resulted in an improved follow-up on any complaints.

The appearance of the Officer at the various landing sites on the rivers was much more satisfactory than floating as in the previous years.

It did not solve all of the problems but seemed to have effect on control of some of the unruly canoeists.

The record of nearly 100 warnings, tickets and warrants on complaints may serve as a deterrent in the future.

The check for \$1880.20 has been sent to the County Treasurer as instructed.

Abner C. Sager  
Secretary, Treasurer

### ATTENTION BEAVER CREEK TOWNSHIP VOTERS

If you want our Township run like a business, which it is, then Vote for Jim Michaels for Supervisor. You will be pleasantly surprised with the quiet courage and ability to lead out in service to you. If you have questions, please feel free to call me at any reasonable hour. I will not, however, discuss or pass on gossip. This office demands a professional attitude which is important in these times. Vote for Jim Michaels, Democrat, in fact the only one on the ballot who still wants to serve you, as per ad run previously in this paper. Phone 275-8030.

## Bits O' Talk

by Fay Bovee

Mr. and Mrs. Alfred J. Sorenson attended a convention of the National Board of Funeral Services Examiners in Houston, Texas last week. Mr. Sorenson is chairman of the Resolutions and By-laws Committee and represents Ontario, Ohio, Indiana and Michigan.

Arthur Feldhauser celebrated his 88th birthday on October 20th at the Senior Citizens Center, including a birthday cake. He was born in Crawford County and has lived here all his life.

Mrs. Eva Jeanne Smith was happy to entertain her brother from Mobile, Alabama, Mr. Arnold W. Rosen, Jr. and his son, Arnie III, at her cabin on the AuSable this week. In turn, the two Southern boys were happy to see the snowfall and go snowmobiling. Her brother "Jack" hadn't seen snow in many years and Arnie had never seen it.

Mrs. Arthur Feldhauser visited her son, Rev. Frank Gross, Jr. and family at Saint Paris, Ohio. He is the pastor there of the Lutheran Church. Frank brought her home and spent a few days at Warbler's Hideaway at Lovells. He returned to his home Saturday, October 16.

Mr. and Mrs. Bernard Leighton and Barry were guests of her parents, the Lyle Johnsons over the weekend. Kathy Johnson of C.M.U. also spent the weekend at home.

Mr. and Mrs. Vance Moots and Miss Evelyn Williams of Syracuse, Indiana visited Mr. and Mrs. Everton Williams over the weekend. Mrs. Moots won the Indian turquoise necklace at the hospital bazaar.

Donald Latusek, son of Mr. and Mrs. Pete Latusek, has enlisted in the Army. His address is: Pvt. Donald Latusek, 372-52-5348, 4th Platoon, B2-2, Fort Leonard Wood, Mo. 65473.

## Bill Hoffman Completes Course

William H. Hoffman, of Grayling, Facilities Inspector for General Telephone at Roscommon, recently completed a special management course on effective communication held at the company's education center in Norton Shores, near Muskegon.

The course explores the essential factors of communication and ways to improve it. Perception and barriers limiting listening ability were discussed as well as ideas for improving communications skills. Bill McCann, Exchange Manager for the company, said Hoffmann was among General Telephone supervisory employees from many areas of the state who received this specialized training during the two-day session. The course is a part of General Telephone's continuing effort to provide better telephone service through well-informed, highly-skilled employees.

## Sight Mobile To Be Here

The Grayling Lions Club will have the Sight Mobile here in Grayling Monday through Saturday at the City Park. The hours will be as follows unless further notice is given. Open 12:00 Noon to 6:00 p.m.

This is a free service to screen the eyes of anyone who wants to take advantage of it at no cost. It is not however operated by an eye doctor and should not be considered for purposes of fitting glasses or detection of certain diseases. It is simply for screening for possibilities of needed eye examination by a doctor.

If you do not need the services of the sight mobile but want to donate your eyes (at your death) to be passed on to someone less fortunate, please stop by the unit or ask any club member for a card with information on how you may donate. Or if it is more convenient stop by Don's Pipe Shop in Grayling.

## Moose Chatter

By Clarence Tetling

The enrollment, Saturday night was very well attended. We were very lucky to have the Ritual Team from Cadillac put on the Ritual work.

Bonnie Samules and Alfred Galloway are still in the hospital. Alfred would like to have visitors during the week, if anyone can make it. He is in Little Traverse Hospital in Petoskey. Governor, Arthur Stephenson and his wife, Velda, were over there Sunday to see him.

Mrs. Dorothy Slusser, Mrs. Wilma Sunday and my wife were in Wyandotte for the Fall Convention, October 22nd through the 25th. Ralph Slusser accompanied them as far as Troy, where he visited his daughter and her family over the weekend.

Mrs. Slusser received her Green Cap on Sunday and my wife, Lucille, was her capping officer. Congratulations go out to Dorothy from all her Moose brothers. While in Wyandotte, the ladies saw Pat Mayo from their chapter and her husband Fred, who is a member of the Cadillac Lodge. From what I have heard, I guess the ladies had a good time. We also had the Governor of the Moose Lodge in St. Ignace, stop in on his way home from Sunday night.

I understand that there will be something going on Saturday night for Halloween, so if you like to be a ghost, a goblin or something else on that night, stop in and have a good time with us.

The next regular meeting is November 5th. Won't you try to attend?

(Continued from page 1)

The county proposal to separate tax limitation reads: Proposal A, Separate Tax Limitation—"Shall separate tax limitations be established for a period of three years or until altered by the voters of the county for the County of Crawford and the townships and school districts within the county, the aggregate of which shall not exceed 15.0 mills as follows: County of Crawford - 6.5, Townships - 1.1, Intermediate School District - .3, School Districts (a school district located entirely within a city or charter township shall receive in addition millage equal to the townships) - 7.1, Total - 15.0."

The four state proposals will appear on the ballot as follows:

Proposal A — "Proposed law to prohibit the use of non-returnable bottles and cans for soft drinks and beer, to require refundable cash deposits for soft drink and beer containers; and to provide penalties for violation of the law. The proposed law would: (a) Prohibit the use of non-returnable bottles and cans for the sale of soft drinks and beer for off-premises consumption; (b) Set up a requirement for cash deposits and repayment of deposits for soft drink and beer containers; (c) Prohibit the use of metal soft drink and beer containers with detachable openers; (d) Establish fines for violation of the law by dealers, distributors and manufacturers. Should this proposed law be approved?"

Proposal B — "Proposal to change the qualifications for the offices of State Senator and State Representative. The proposed amendment would: (a) Reduce the age requirement to be eligible for the offices of state senator and state representative from 21 to 18; (b) Require that to be eligible for the offices of state senator and state representative a person must be a registered elector of that legislative district; (c) Change the time a person must have these qualifications from the date of assuming office to the date of qualifying as a candidate. Should this amendment be adopted?"

Proposal C — "Proposal to limit all state taxes and spending to 8.3 percent of the combined personal income of Michigan. The proposed amendment would: (a) Limit all state taxes and spending to 8.3 percent of combined personal income of Michigan, except taxes for repayment of bonds. State taxes means all state revenue, excluding federal aid; (b) Provide for refund of excess revenue to individual taxpayers; (c) Permit 8.3 percent limitation to be exceeded only if Governor declares specific emergency approved by 2/3 vote of legislature; (d) Prohibit state adopting or expanding local programs without full state funding; (e) Prohibit state from reducing existing level of aid to local governments, taken as a group; (f) Prohibit local governments from increasing existing taxes without voter approval; (g) Provide for implementation by the legislature. Should this amendment be adopted?"

Proposal D — "Proposal to replace the present flat rate state income tax with a graduated state income tax for calendar year 1977; thereafter, rates and bases of state income taxes to be determined by the legislature. The proposed amendment would: (a) Remove constitutional ban on graduated income tax; (b) Reduce to 3.9 percent maximum, the income tax rate on taxable personal income of an individual or individuals filing a joint return on the first \$20,000.00 of taxable personal income, or joint return personal income, adjusted upwards by \$1,500.00 for taxpayer and each dependent; (c) Raise tax rate of individual taxpayers on income over that amount to replace the loss of revenue caused by above tax reduction; (d) Establish constitutional minimum \$1,500.00 exemption for taxpayer and each dependent; (e) After January 1, 1978, permit the legislature to establish bases and rates of personal income taxes. Should this amendment be adopted?"

Also appearing on the official ballot are the State Boards—Member of State Board of Education; Members of Board of Regents, U-M; Members of Board of Trustees, MSU; Members of Board of Governors, Wayne State U.

The polls will be open from 7:00 a.m. until 8:00 p.m. in the various township halls and in Grayling City Hall.

# Notice to Booster Club Members

The following By-laws are proposed for consideration by the general membership of the Grayling Youth Booster Club. In order that they be adopted as the official By-laws for the Grayling Youth Booster Club, they should be agreed to by three-fourths of the general membership present at a Special Meeting of the general membership called for the specific purpose of adopting new By-laws in place of the existing By-laws.

## PROPOSED BY-LAWS Grayling Youth Booster Club

The Grayling Youth Booster Club is organized for the purpose of promoting the interest and welfare of the youths of Crawford County, Michigan and has been incorporated as a non-profit corporation under the title of Grayling Youth Booster Club, Inc. Its activity shall be non-partisan, non-sectarian, non-sectarian, and shall not constitute assistance in, or influence of the appointing or electing of any candidate for public office.

### ARTICLE I — GENERAL DEFINITIONS

Section 1. Subject to additional definitions contained in the subsequent articles of these By-laws which are applicable to specific articles, and unless the context otherwise requires, the following definitions are intended:

A. Grayling Youth Booster Club - The entire membership of the Grayling Youth Booster Club hereinafter referred to as Club.

B. Board of Directors - The seventeen members of the Club elected as per Article herein provided, to manage the affairs of the Club, and hereinafter referred to as Board. Where approval, appointment, authorization, assignment and other action by the Board is indicated, it shall be by the unanimous action of the Board unless otherwise provided.

C. Entrance Fee - The Entrance Fee for any individual member shall be \$5.00 which shall be payable upon the individual's request to become a member and includes the first year's dues. The Entrance Fee requirements for any business or organization shall be the same as for an individual.

### D. Annual Dues

1. Any individual member may retain active membership in this organization by payment of the annual dues of \$2.00 upon notification by the Board that such fee is due, and if said member remains a member in good standing.

2. Any business or organization may maintain a membership in the Club so long as they pay dues of \$5.00 annually upon notification by the Board that such dues are payable, and further provided that they are a member in good standing.

E. Member - An individual or a business or other organization which comprise the entire Club.

### ARTICLE II — OFFICE

Section 1. The office of the Club shall be located in the City of Grayling, Michigan.

### ARTICLE III — MEMBERSHIP OF CLUB

Section 1. A person, firm, corporation, partnership, estate, trust, county, township, association or municipality may become a member of this organization.

Section 2. Application for membership in the Club shall be made to the Board and such application shall be regarded as a guaranty on the part of the applicant of his interest in and willingness to assist with the purpose of the Club, as well as adhering to its By-laws, rules, and regulations.

Section 3. Distinction in public affairs shall confer eligibility to honorary membership in the Club for all purposes except that of holding office, with exemption from the payment of dues and entrance fee. Election to honorary memberships shall require the affirmative vote of the Board and shall be for a term of the recipient's lifetime.

### ARTICLE IV — EXPULSION FROM CLUB

Section 1. No member may be expelled from the Club without the approval of a hearing before the Board.

A. Such hearing shall be held at a reasonable time and place set by the Board.

B. Notice of such hearing shall be given to all Board members as well as the members subject to expulsion.

Section 2. No member of the Club shall be expelled unless by a vote of two thirds of the Board present at such hearing.

Section 3. Any member expelled by the Board shall have the right to appeal to the Club at the next general membership meeting or at a special meeting called for the purpose of appeal.

A. The general membership shall have the power to reinstate any member expelled under this Article by majority vote of those present at such a general election.

### ARTICLE V — MEMBERSHIP TERMINATION

Section 1. The death, resignation, forfeiture or expulsion of a member shall terminate his membership. Termination of membership shall include the termination of all right and interest of the member in and to the property of the Club.

### ARTICLE VI — CLUB MEETINGS/VOTING

Section 1. Annual Meeting - The annual meeting of the general membership of the Club shall be held annually on the \_\_\_\_\_ day of \_\_\_\_\_.

A. The annual meeting shall be for the purposes of election of Board members and any other business which the Club is required to vote upon as required in these By-laws. Such meetings shall not be financed through Club funds but shall be financed through the sale of admission tickets or other methods approved by the directors.

A. Such meeting may be held on any other reasonable date agreed upon by the majority of the Board.

B. Any change in the annual meeting provided for in this Article, requires that the members shall be notified of such change at least two weeks prior to the re-scheduled meeting date. Said notification is to be made through local media.

C. Five percent of the membership in good standing shall constitute a quorum for the purposes of transacting business.

Section 2. Special Meetings - Special meetings may be called by the President or by four Board members or at the written request of eight members of the Club.

A. Notice of such special meeting shall be given in the same manner as is used to notify of a change in the annual meeting.

B. At any special meeting, only that business for which the special meeting was called shall be transacted, unless all members then present shall consent to the discussion of additional business.

Section 3. Voting - A. Every member in good standing shall have the right to cast one vote for each elected office and each resolution on the ballot, however, only individual members may vote regardless of the fact that members may be a business comprised of auxiliary members (The spouse and family members residing with the member under the same roof may become auxiliary members and will not be required to pay dues, however, they will have no voting rights and are ineligible to hold any elected position in the Club.)

B. A majority vote of all members present shall be required to pass any resolution or elect any individual unless provided otherwise in these By-laws.

C. If any member desires to vote an absentee ballot, such person shall personally file same with the Election Judges Committee at least 48 hours prior to the election day.

D. Proxy shall not be allowed.

E. All voting shall be done by secret ballot.

### ARTICLE VII — BOARD OF DIRECTORS

Section 1. The Board shall consist of seventeen members elected by the general membership of the Club by written ballot.

A. The election of the Board shall be for staggered terms with one-third of the Board to be elected annually for a three year period. In the event that the total number of the members of the Board is not divisible by three, then the Board of Directors shall determine the number of members that is closest to one-third of the total Board membership to be elected.

B. Each member of the Board of Directors shall be elected for a period of three years. At the expiration of the three year term, the Director has the right to be placed upon the ballot with other nominees, for the vacancy created by the expiration of his term, provided he notifies the nominating committee at least 60 days in advance of the election.

C. Election of members to the Board of Directors shall be held at the annual meeting of the Club.

Section 2. The Board shall be the governing body of the Club and the direction of the Club's work, the formation of the Club's policy, the disbursement of the Club's funds, the control of the Club's property, shall be vested in the Board.

Section 3. The Board shall hold a regular meeting at least once a month at a place to be specified for the purpose of conducting business. A regular meeting shall be held on the first Wednesday of each month subject however to a change by majority vote of the Board.

Section 4. Any elected Board member who shall be absent for three consecutive meetings for reasons other than personal illness, shall be considered as tendering his resignation.

A. It shall be the duty of the Secretary of the Board to inform the membership committee of the successive absences.

B. The membership committee will then notify the member of his status within seven days of being informed by the Secretary and if no response is received prior to or at the next regular meeting of

the Board, the membership committee may recommend that the Board accept the resignation.

Section 5. In the case of a vacancy on the Board, the nominating committee shall nominate two of the membership to fill each vacancy.

A. The members of the Board shall select one of those members nominated to fill the unexpired term by written ballot.

Section 6. The Board shall transact no Club business unless a quorum is present.

A. A quorum will be equal to a majority of the full Board.

### ARTICLE VIII — OFFICERS

Section 1. The Board shall elect from their own number, the officers of the Board which shall consist of a President, first Vice-President, Secretary and Treasurer.

A. Such officers shall serve in their elected offices for one year.

Section 2. The President shall preside at all meetings of the Club and the Board and perform all duties incident to this office, including cosigning all checks, drafts, notes and like instruments drawn on the Club's checking and savings accounts. The office of President shall not be held by a first year member of the Board. He shall, subject to the approval of the Board, appoint all committees and shall be ex-officio member of all standing committees, except the nominating committee. He shall, at the annual meeting of the Club, and at such other times as he may deem proper, recommend to the membership and to the Board such matters and make suggestions as will promote and increase the interest, prosperity, utility and usefulness of the Club for the betterment of the youth in the community.

Section 3. The first Vice-President shall act in the absence of the President, and in the absence or disability of both the President and first Vice-President, a member of the Board shall be chosen by the majority of the Board to act as interim President with full powers and duties.

Section 4. The Secretary shall keep accurate records of all business transacted at all meetings of the Club and Board, shall maintain custody of such records, and shall read such records to the Board or the Club upon request. The Secretary shall also be responsible for giving proper notice as is required by these By-laws and ordinary business matters.

Section 5. The Treasurer shall have custody and be responsible for all funds of the Club and shall disburse such funds by check as approved by the Board. He shall keep accurate records of all receipts and disbursements. It shall be the duty of the Treasurer to make an annual report of all receipts and expenditures. This report shall be written and distributed at the annual meeting or mailed to all members at the discretion of the Board. Any special funds created by the Board shall require the delivery and accounting of its receipts of funds to the Treasurer.

Section 6. In the event of a vacancy in any office, and after the normal succession indicated in Section 1 - 5 of this Article, the Board shall select one of its members to fill the unexpired term by written ballot.

### ARTICLE IX — REMOVAL OF DIRECTORS AND OFFICERS

Section 1. All elected and appointed Directors and Officers of the Club are subject to removal from their elected or appointed position by majority vote of the Board. For purposes of this Section only, a "majority" will be that number of all directors less the number of director or directors, officer or officers who are the subject of the removal proceedings.

### ARTICLE X — COMMITTEES

Section 1. The Board shall authorize committees and shall define their powers and duties and

**CALLS ANTI-C  
PAMPHLET 'SCURRILOUS'**

**Nobel Winner For Tax Plan**

By Otis White  
Staff Writer  
Lansing State Journal

Just hours after he was named a Nobel Prize winner, economist Milton Friedman slammed the opponents of the state's tax-limitation amendment Thursday at Michigan State University, calling their advertisements "scurrilous" and suggesting they violate "truth in advertising" laws.

The 64-year-old University of Chicago professor told reporters and economics students the vote on Proposal C may have more impact on America's future than who is elected president in November.

"This is one of the most important measures that American voters will have to consider in the coming election," said the feisty, diminutive economist.

Earlier Thursday, the Royal Caroline Institute in Stockholm, Sweden, announced that Friedman will be presented the Nobel Prize for economics and a \$160,000 cash award Dec. 10 in a ceremony in Stockholm.

Friedman, who writes a column for Newsweek Magazine and dabbles in politics, reacted to the Nobel Prize news with characteristic coolness at the MSU press conference.

"I hope my colleagues will respect me more for my work and not for what seven people in Sweden said," the economist said. There are seven members on the committee that awarded the prize to Friedman.

He added, however, that he will accept the prize and the award money in December. "Sure, I'll accept the prize," he told a questioner. "I'm an economist, after all."

He was not so charitable toward the opponents of Proposal C. The proposal would add a constitutional amendment that stops state government from spending more than 8.3 percent of the total personal income of Michigan's citizens.

Holding up one of the anti-tax limitation pamphlets, Friedman declared, "You can take any item out of it at random and it is

faux."

He called the pamphlet a "scurrilous sheet."

The leading opponents of Proposal C, the "Michigan Taxpayers Voting No on Proposal C," could not be reached for comment Thursday.

But among other things, the opponents say the tax ceiling on state government will raise local property taxes; cut aid to the aged, blind and deaf; slash school aid, eliminate property tax credits and lose federal funds for Michigan.

"I'm surprised they didn't say (it would) destroy motherhood and apple pie," Friedman mocked.

"All you are doing," the economist explained - "is proposing that state government live within a budget, just as every housewife lives within a budget."

He said there are two types of groups opposing the tax limitation amendment - public employees, "who live at the trough of state spending," and the League of Women Voters and the American Association of University Women.

"Both of these organizations," Friedman said, referring to the League of Women Voters and the university women's group, "... have for 50 years been in favor of bigger and bigger government."

The amendment seeks to curb growth of state government by restricting its spending powers. If the state collected more than 8.3 percent of the total personal income of its citizens under Proposal C, the difference must be refunded through the state income tax the next year.

Although the two sides in the referendum differ on the exact amount, the state is currently spending close to the 8.3 ceiling now.

"Personally ..." Friedman told the MSU gathering, "I think the 8.3 percent is probably far more than it is appropriate to spend ... What is being proposed here is an extremely affluent budget."

**DID YOU KNOW??**

THAT, AS A SMALL GROUP OF CITIZENS, WE APPROACHED SHERIFF HAROLD HATFIELD PRIOR TO THE PRIMARY ELECTION. WE OFFERED TO HELP FINANCIALLY OR IN ANY WAY WE COULD WITH HIS CAMPAIGN.

HE STEADFASTLY REFUSED ANY CAMPAIGN CONTRIBUTIONS. HE STATED THAT AS SHERIFF HE FELT THAT HE COULD NOT ACCEPT ANY CONTRIBUTIONS.

HE TOLD US THAT JUST AS WE SAVE FOR THAT NEW CAR, COLOR T.V., OR VACATION, HIS FAMILY HAS SET ASIDE MONEY EACH MONTH TO INSURE THAT THERE WOULD BE ENOUGH SAVED FOR HIS CAMPAIGN.

WE LEFT HIS HOME WITH AN EVEN GREATER RESPECT FOR THIS HONEST MAN. WE WERE MORE DETERMINED THAN EVER TO HELP. WE FELT THEN AND MORE SO NOW THAT HAROLD HATFIELD IS THE BEST QUALIFIED CANDIDATE FOR SHERIFF.

OVER THE LAST FEW WEEKS WE HAVE GIVEN YOU A LOT OF FACTS ABOUT YOUR SHERIFF. HIS OPPONENT HAS NEVER DENIED THOSE FACTS: "THAT SAY HAROLD HATFIELD HAS DONE AN EXCELLENT JOB AS SHERIFF". HE HAS STATED THAT HE WOULD MAKE SOME CHANGES.

WE ASK "WHAT WOULD THESE CHANGES COST THE TAXPAYER?"

THE GRAYLING KIWANIS instituted a new program of recognizing an outstanding citizen of Crawford County for each month of the year.

The outstanding citizen for the month of October is LeRoy Rettell, who is employed by the Crawford County Road Commission as a heavy equipment operator. He is an active member of St. Mary's Church and the Boy Scouts as Scoutmaster. He has been Cubmaster for a number of years and is a member of the Booster's Club and the Knights of Columbus.

Rettell's wife, Shirley, and his boss, John Keir, were also present at the meeting.

VOLUNTEER PROBATION OFFICERS—Sworn in as Volunteer Probation Officers for Juvenile Court by Judge Emil Kraus, (right) on Friday, October 22 were, left to right, William Denton, Virginia Bancroft, Charles Fye, Shirley Erickson and David Frederick. Not pictured is Gloria Alef. More volunteers are needed. For information, call Pat Hunter, 348-9809, or George Erickson, 348-8746.

## Association Directors Meet

By Abner C. Sager, Director

Sheriff Harold A. Hatfield gave a final report of, and presented his bill for the special summer river patrol to the Directors of the AuSable River System Property Owners Association at their recent meeting at the Shoppenagon Motor Hotel in Grayling. The Directors expressed satisfaction with the patrol and the cooperation of the Sheriff's Department.

Robert Smock, Jr., Youth Services Director of Crawford County, reported on his activities in the River Clear-up and his plans for expanded activities next year. Approximately \$1400.00 was collected locally and less than \$50.00 was used for expenses. The balance was used to pay for the services of the youths who worked under his direction.

The Directors appreciated the appearance at the meeting of the Grayling City Manager, Jerry Morford, who explained various items of complaint from some of the property owners. There will be an effort for improved communications in the future.

The next meeting will be held at the call of the President, William Grimes of Traverse City.

## Parent Effectiveness Series Begins Here November 3rd

A series of Parent Effectiveness classes will begin November 3rd in Grayling. The six week series is a part of the Cooperative Extension Service Family Living Education Program. Merrily Baldwin, Extension Home Economist, conducts the classes which are open to the public.

Ms. Baldwin said, "The series centers on improving the relationship between parent and child through the use of three specific communications skills. Simply stated, we cover how to listen so your child will keep talking to you, how to talk so your child listens, and how to resolve conflict so no one loses."

"Of course," Ms. Baldwin continued, "we get involved in other topics, like discipline, a child's self-image, acceptance, and how children learn."

The classes will be held at the Grayling High School, from 7:30 to 9:30 p.m. To enroll in the series, simply attend the first class on November 3rd. There is no enrollment fee.

While it's best for both parents to attend, it's not required. References for the classes are "Parent Effectiveness Training," by Dr. Thomas Gordon, and "The Magic Years," by Selma Fraiberg. Purchase of the books is not required.

## Redcoat

[Continued from page 1]

Gift certificates from local merchants will be awarded in six different categories. First woman hunter to bag a buck, heaviest deer, first bucks in and so forth. Watch for our van downtown that weekend.

We welcome all of you to enjoy the great Northern Michigan out of doors as in years past. Last year's earliest winner was from Port Huron.

Successful hunters display their bucks on the community buck pole, located beneath the water tower in Grayling's City Park. Registration for prizes and rules are simple; hunters must obtain a 1976 Redcoat Roundup button, register their name and address with officials, and shoot the buck in Crawford County. You'll hear a lot of bragging and a lot of moaning around the buck pole.

Come say hello and have a cup of coffee with us here in Grayling this November.

## Plans Underway For 1977 Night of Lights Regatta

Preliminary plans for the second Milltown Night of Lights Regatta to be held on Lake Margrethe in 1977 were drawn up by committee members who met on Wednesday, October 20th. Subsequent meetings will be scheduled during the next eight months for the purpose of finalizing the many details necessary to again make this event a huge success.

In order to help achieve this success, the committee is requesting that suggestions from interested persons be sent to the Grayling Chamber of Commerce Office, attention of the Lake Margrethe Night of Lights Regatta Committee.

Committee members who served for the first regatta have again volunteered their services for the 1977 event. They are Mr. and Mrs. A. J. Mauren, Mr. and Mrs. L. Cavanaugh, Mr. and Mrs. J. Wiltse and Mr. and Mrs. G. R. Pamerleau.

As in 1976, the 1977 Regatta will be conducted with the cooperation of the Grayling Chamber of Commerce, Crawford County Sheriff's Department and the Milltown Festival Committee.

## Substance Abuse Council Assesses Community Needs

The Substance Abuse Advisory Council for District One and the Tri-County District Health Departments will meet November 2 to assess community needs and to discuss substance abuse programs which are currently licensed and to discuss future programs which are now being formed.

The 1:00 p.m. meeting was called by chairperson Lavern Wolfgram, M.D. The meeting is being held in Frankfort at the Benzie Medical Care Facility on Maple Street. The session will be open to the public. Inquiries may be addressed to Scott Johnson, Coordinator of the Substance Abuse Coordinating Agency in Cadillac.

District One includes Wexford, Missaukee, Crawford and Kalkaska Counties. Tri-County District includes Benzie, Leelanau and Grand Traverse Counties.

## Law Enforcement Committee

The citizen's Law Enforcement Committee held their meeting on October 19 at the Crawford County Courthouse. There were sixteen present.

The meeting was opened and the introduction of our new South Branch officer, Doug Wellman.

Lt. Ruddy spoke to the committee on crime prevention within the county. A movie was shown on Business Burglary. At the next meeting a movie on How to Secure Recreational Vehicles, will be shown, and the public is welcome.

These films are available to any organization or clubs on request. Please contact Lt. Ruddy.

The next meeting will be held on November 11th at 7:30.

## Infant Mental Health Program Expanded with State Grant

An Infant Mental Health Program in Roscommon and Crawford Counties has been expanded as the result of a state grant from the Department of Mental Health, Prevention Service.

The program is aimed at preventing mental health problems in infants by helping mothers, and parents before problems arise. The program is administered thru the North Central Michigan Mental Health Board, centered in Cadillac.

A new infant specialist has been added to the infant program and team serving Roscommon and Crawford Counties, Mike Trout program director said. Jean Denley, who recently received her masters in social work, of the University of Michigan, will work in the two counties with the program.

"We know enough now to watch the interactions of parents with infants to predict what problems they will have," Trout said.

By working with referrals from area hospital staffs and doctors, Mrs. Denley will be contacting parents of high risk infants to help prevent problems.

Trout said they hope to provide help to mothers that are "completely overwhelmed" by the birth experience. Mothers whose husbands are away, or don't have husbands, are new to a community or who have no immediate friends or relatives are considered as having "high risk" infants. Trout said for these mothers they hope to hire and train a home aid that can be with a new mother for one-half day to help the new mother adjust.

"The idea is to help the mother and baby get together," Trout said.

Mrs. Denley will be teaching classes for parents and will become involved in expectant parent classes. She will also be available as a speaker for club or group meetings. She is presently involved in an adult education class in Grayling concerning infant development.

She will maintain office hours at Houghton Lake Tuesday and Thursday from 8 a.m. until 5 p.m. Anyone wishing to inquire about the program may contact the office at 366-0550 at Houghton Lake, or 348-8522 in Grayling. Mrs. Denley will have office hours in Grayling on Monday, Wednesday and Friday.

Mrs. Denley worked with a small infant program during field placement training at U of M and worked in psychiatric hospitals. She and her husband are living in Grayling.

**DISCUSS PROGRAM**—Mike Trout, director of the Infant Mental Health Program serving Crawford and Roscommon County, discussed expansion of the program with new staff member Jean Denley. Mrs. Denley will work with Trout and other staff members of the North Central Michigan Mental Health Services Board, in providing preventative infant mental health programs. The expansion of the service was made possible through a grant from the Department of Mental Health Services, Prevention Service.

### People Speak

In the 1936 Presidential election, Alf Landon only won in Maine and Vermont. A friend totaled up the returns and sighed, "Tough luck, chief, but I guess the people have spoken." "That they have," admitted Landon, "but they didn't have to speak so loudly."

# Save up to \$75 in your attic this winter.

# Insulate!

Nobody likes higher Gas bills, including us at Michigan Consolidated. But because the cost of Gas we buy from our suppliers has gone up, your Gas bills will be higher this winter than they were last year.

So it makes sense to stretch each dollar's worth of Gas just as far as possible, and to keep your Gas bills as low as you can. One way to do this is by insulating your home.

Once again, Michigan Consolidated is offering a low-cost Home Ceiling Insulation Program designed to conserve Natural Gas and save you money.

Since the program's introduction nearly three years ago, more than 115,000 of our customers have installed ceiling insulation, and have cut their home heating costs by as much as 17% each year. Based on current Gas prices, this means you may be able to reduce your own heating costs by as much as \$75.00 from what they might be without insulation, starting right this winter.

If you do the job yourself, you should be able to buy insulation for a home with 650 sq. ft. of attic space

for about \$125.00. That means you'll probably save enough Gas to pay for the material in less than two years. Our free Do-It-Yourself Insulation Handbook tells you how. Pick one up at any of our customer business offices or any participating retail outlet. Or call or write, and we'll mail you a copy.

If you'd rather not do the job yourself, one of our participating insulation subcontractors can. The cost? About \$250.00 for homes with less than 1000 sq. ft. of ceiling area. You can pay cash. You can pay 20% down and pay the balance without interest over your next three Gas bills. Or you can make extended payments at an interest rate of 1% per month on the unpaid balance (ANNUAL PERCENTAGE RATE OF 12%).

So why not save money in your attic this winter with our low-cost Home Ceiling Insulation Program? We'd like to help you cut your heating costs, and we'll both be working to save our country's valuable Natural Gas supplies. We do care about your tomorrow.

# THOMAS E. KENT

REPUBLICAN NOMINEE FOR CRAWFORD COUNTY

## PROSECUTING ATTORNEY

DEAR VOTER:

AS WE APPROACH THE NOVEMBER 2nd ELECTION, IT BECOMES IMPORTANT TO EXAMINE THE CANDIDATES AND THEIR REASONS FOR RUNNING.

THE PEOPLE OF CRAWFORD COUNTY ARE FACED WITH AN IMPORTANT LOCAL RACE THIS YEAR — THAT FOR THE OFFICE OF PROSECUTING ATTORNEY. I HAVE HAD SERIOUS CONCERNS ABOUT THE QUALITY OF LAW ENFORCEMENT IN THIS COMMUNITY FOR A LONG TIME. AS A PRACTICING ATTORNEY, I FIRMLY BELIEVE THAT JUSTICE IS SIMPLY NOT BEING ACCOMPLISHED. I FURTHER BELIEVE THAT THE OFFICE OF THE PROSECUTING ATTORNEY, UNDER THE INCUMBENT, IS STRAYING DANGEROUSLY AWAY FROM THE PRINCIPLE OF IMPARTIALITY THAT IS SO IMPORTANT.

**WE CANNOT HAVE JUSTICE  
WITHOUT IMPARTIALITY.**

In the August primary, in which I defeated the incumbent, there was ONE issue — IMPARTIAL AND EFFECTIVE LAW ENFORCEMENT. That remains the sole issue in this election.

I believe that the times call for a Prosecuting Attorney who does not suffer from preconceived opinions and prejudices. Frankly, the accomplishment of justice is presently bogged down in this County and the only way to rectify the situation is to elect an objective, unbiased Prosecutor.

This duty, and it is a very serious one, I am prepared to assume. I owe no allegiances, I promise no favors. What I can and will deliver is fair, objective law enforcement. I think the people of this County deserve no less.

TOGETHER WE CAN DO A BETTER JOB. I respectfully request your support and look forward to serving you as Prosecuting Attorney.

Respectfully,

**Thomas E. Kent, Republican Nominee for  
Crawford County Prosecuting Attorney**

## Alumni News

We observed our 25th year on Saturday, October 16 at Auman's House of Catering. Mary Hunter Blaauw, '72, our Secretary, and Nita Galloway, '65, our Treasurer, were in charge of Registration which started at 5:30 p.m. On Reception were Mary Conline Borchers, '37, and Clyde Borchers, '36, Jenny Annis and Forrest Annis, '32, Betty Felling Millikin, '41, and Floyd Millikin, '41. Buffet service started at 7 p.m. It was a good meal with hot food that was hot.

The Program began with a welcome to all of us from President Tony Doremire, '57. He introduced the past presidents, honored guests, who were in attendance. They were Clara Atkinson Sorenson, '35, Earl Gierke, '28, Lorne Douglas, '11, Ernest Larson, '26, Jim LaGrow, '57, John Peterson was unable to attend, but sent greetings in a letter. The president asked for a moment of silence in memory of deceased, Bob Welsh, Maurice Parker, Don Gothro, all Past Presidents.

In order of 5 and 10 year Anniversaries (Graduation), these Alumni were noted: 65th, Class of '11, Bessie Felling Douglas and Lorne Douglas, 50th, Class of '26, Anna Swanson Granger, Bernice Corwin Hilton, Mary King Kasky, Matt Bidvia, Russell Robertson, Ernest Larson and Nels Johnson, 45th, Class of 1931, Carmine Sheldon Foss, 40th, Class of '36, Clyde Borchers, Bernice Palmer Lennert, Gertrude Streeter Zbikowski, 35th, Class of '41, Betty and Floyd Millikin, Arthur Feldhauser, 30th, Class of '46, Margie Caid Harwood, Pat Harwood, Both Serven Seator, Richard Nelson, Dwight Reava, 20th, Class of '56, Richard Lozon, Brand new '76, Vicky Larson, Stuart Fowler.

President Tony presented special cakes to the Class of '26, the Past Presidents and all G.H.S. Alumni. This was our dessert. Mary Leninger Goss, '70, made and decorated same. They were delicious. Our thanks to her. The new plaque for the Past Presidents names was presented to Director Forrest Annis, accepting for the Alumni Board. This will be displayed in the Alumni Office, as will the Roy O. Milnes Award plaque which was also shown to the group.

There was time for a brief business meeting. Several questions and opinions were aired from the floor and will be considered by the Board. A show of hands indicated a preference for keeping the Annual Alumni Homecoming in the Fall, at the same time as the Homecoming Football game.

Families of the Past Presidents were introduced. The Larson's included Ernie's wife, Elsie, a son Ron, '53 and his wife Barbara, a son Jerry '60 and his wife Jane, his granddaughter, Vicky Larson '76 and guest Bill Hart, '74, two sisters, Erdine Larson Corwin and husband Charles, and Lucille Larson Longstreet, '33 and husband Lee.

The LaGrow's included Jim's mother and father, Lois Sorenson LaGrow '33

and Bill, '33, a sister Connie LaGrow Cosgrove, '58 and guest grandmother Camilla Sorenson.

Earl Gierke's family was a niece, Beth Serven Seator, Lorne Douglas had his sister in law, Wilda Felling Wood, '14 with him. I had my husband Robert '35 and two daughters, Judy Sorenson '57 and Nancy Sorenson Cox '54.

Another special family belongs to Tressa Vallad Stephan '30 and her husband Norval Stephan '27. They are a daughter, Pat Stephan Fowler '51 and husband Bernice, grandchildren, Jeffrey Fowler '71 and his wife Becky, Gail Fowler Vaughn '73 and her husband Steven and Stuart Fowler '76.

We have quite a good representation of G.H.S. Alumni. Then came a surprise presentation. President Tony gave me a dozen red roses in recognition of past service to G.H.S. Alumni. It was a surprise! A standing ovation and the flowers were two of the most beautiful gifts of my life. I thank all of you.

The program closed with a group song "Grayling Will Shine Tonight". The rest of the evening was dance time, to the music of Richard Plekunik, at the organ and John Duley '75 at the drums. They are good. All during the evening we enjoyed looking through the new class picture album that we purchased this year. We are really proud of this item.

We thank Jean Rasmussen Auman '57 and her husband Dick for the consideration they showed to us. It was another happy evening with friendships that came to us from our school days at G.H.S. And to the Crawford Avalanche we give our special thanks for the coverage they have given to us all year.

Until another time.

Clara Sorenson,  
The President  
and the Alumni Board

## District Court

The following appeared in the 83rd District Court before Judge Francis L. Walsh last week.

Daniel Hively, 47, of Grayling was bound over to Circuit Court after preliminary examination on a charge of felonious assault. A \$500.00 cash/surety bond was set. Hively was apprehended on a citizen's complaint July 13.

Robert M. Todd, Jr., 43, of Grayling pleaded guilty to a charge of simple larceny and was ordered to pay fine and costs of \$95.00 or 10 days in jail. He was arrested October 15 on a citizen's complaint.

Kenneth E. Bindschattel, 48, of Frederic was ordered to pay fine and costs of \$205.00 or 14 days in jail after pleading guilty to a charge of impaired driving. Bindschattel was arrested by Gaylord State Police March 3.

John P. McGrath, 48, of Trenton pleaded guilty to a charge of disorderly person by intoxication in a public place. Total fine and costs were \$65.00 or 7 days in jail. McGrath was arrested by city policemen October 15.

## Superintendent's Corner

[By Fraser Dean]

From time to time I've been advised that protesting too much makes rather dull reading and doesn't give adequate coverage to some of the more positive things that are going on. Unfortunately, protesting becomes an occupational hazard for most superintendents given the current set of circumstances (financial) that most schools find themselves in. Most of us are preoccupied with improving public understanding and focusing attention on who the real culprits are.

For awhile, at least, I'm going to leave matters of school finance alone and discuss some of the other issues, programs, and items of interest that the schools are involved in.

The recently published Eighth Annual Survey of the Public's Attitudes toward Public Schools sponsored by Gallup Poll and Kettering Foundation offers some interesting conclusions. Among these were:

A. When asked to pick possible causes for the nationwide drop in achievement test scores, parents most often pointed to less parent attention, concern and supervision of the child, thus taking much of the blame themselves, rather than placing the responsibility solely with the schools.

B. 75% of the parents surveyed favored having an opportunity to take courses themselves offered at convenient times that would enable them to help their children in school.

C. 93% of the people surveyed expressed a willingness to serve on citizen advisory committees appointed by the school board to deal with discipline, athletics, textbooks, curriculum, finance, etc.

D. The national survey ranked the top problems faced by schools according to the public's perception of them. The top three in descending order are:

1. Discipline
2. Integration/Segregation
3. Lack of proper financial support

## Middle School Library

The school year is again in progress and with the added number of students we are asking for your help. Our 5th and 6th grade classes are in need of classroom dictionaries.

If your family has grown up and you are no longer in need of the dictionary they used while in school, drop it off at the Middle School Office.

Over 200 students of grades 5 through 8 use the library daily. These students check out materials bringing our circulation to 125-150 per day. Many books are used directly in the library and returned to the shelves each hour. We also have many current magazines that are available for use in the library.

The library is opened at 8 a.m. each day and closes at 4 p.m. This enables early or late bus riders to use the library before or after school. Many students who walk to school also use the library at these times.

Donations of other books or reading materials suitable for student use of grades 5 through 8 may also be dropped off at the Middle School Office.

## Frederic Elementary News

The intramural program has begun. The boys play soccer on Mondays and the girls enjoy the sport on Thursdays. About fifty students signed up for the activities.

Our sixth graders are preparing to go to camp again this year. You may wish to buy some popcorn or light bulbs to assist them in their fund raising.

It won't be long until we are in the new addition. We hope to be all moved and settled sometime in November.

**VOLUNTEER AIDE AT FREDERIC**—"Mr. T." with teeth so tall is visiting our Kindergarten room. The children have been practicing the correct way to brush their teeth and now they are assisting Mr. T. as he learns the proper process. Mrs. Kuerneke, our volunteer aide, is in charge of the tooth brushing project.

## What Is A Child

By Christopher Bernard

Do you know what a child really is? In this article and the ones to follow, I'm going to visit the Grayling Elementary School and try to see and explain to you just what goes through the mind of your child and mine. I'm going to start with the grownup and work down to the children.

I asked a number of people this question. What is a child? I got lots of answers and I have come up with what I think are the best ten.

From one he said "Chris, I never had any but gee I sure envy the people who do."

From another "Friend they mean more to me than Deer season." Does that tell you anything?

Another said "The love I can get from my kids mean more to me than anything in my life."

"Here is one I like from a lady. 'To me my children are a love that God gave to me and that no one can take away.'"

This is from another. "Love for me that I can't find in the eyes of any other person."

Another one was "The future foundation of America." I will add the future foundation of the world, and this goes with another one and it is "My shadow in the future."

I asked a very successful businessman what is a child? And he answered, "Someone I had hoped would follow in my footsteps but I'm afraid he wants to make his own."

Another one said, "I have to quote Harry Truman and say the best legacy a man can leave to the world is a well educated family."

One person said "They sure have been a problem, but looking back it sure was worth it."

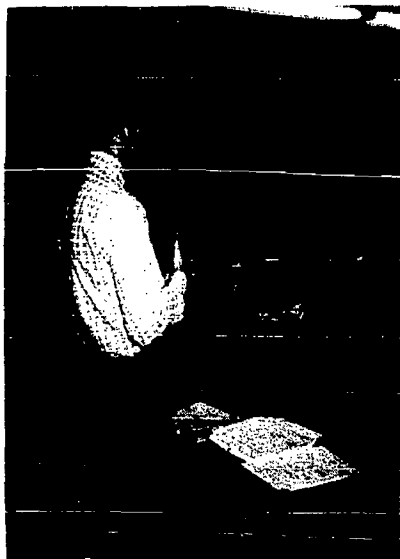

I think the saddest one I got was from a lady who said "I have worked for them and loved them all my life, and they are all I have, I wonder why they never come to see me anymore." How true this is.

Well, out of the many answers I got from my question, these seem to sum it all up. Have you ever stopped and asked yourself just what do your children mean to you?

Next week I hope, to set in on one of the elementary classes and ask them some questions. You know, I bet their answers will be a lot less complicated and probably will make more sense than ours. So watch for this column and don't be surprised at what these kids will teach us. If we only let them.

WELCOME TO THE CLASSROOM

## Consumer Education

**GUEST SPEAKER** Fred Stanley, COOR Co-Op Coordinator, discusses job applications with Mrs. Frauses 2nd hour Consumer Education class. Senior John Steele is in the background.

This is the first in a series of articles designed to bring you closer to Grayling High School. Each week this column will focus on a course, program, teacher or other aspect of the Grayling High School curriculum. As always, you are invited to visit Grayling High School to observe any programs described in this column or to discuss questions or ideas with school personnel. Please call in advance and check in at the general office when you arrive. This week the focus is on Consumer Education.

Consumer Education as a course required for graduation was developed as a direct result of the 18 year old age of majority. Whereas seniors graduating when 21 was the age of majority had three years to wait to become legal adults and totally responsible for themselves, today most all seniors are legal adults when they graduate. This change placed a new burden on schools. The relevant burden preparing graduates with adequate useful financial survival skills. Because of the important course contents, students must perform satisfactory work in this course before they can graduate.

The Consumer Education class is a required one semester class for seniors. The purpose of the class is to inform students of situations they are likely to encounter as adult consumers and to give them tools to handle consumer problems effectively.

Topics covered to date this fall are the individual consumer, advertising, laws protecting the consumer, private organizations aiding the consumer, fraud, legal help for the consumer, contracts, and warranties. A two week unit on jobs is in progress. Mr. Fred Stanley and Mr. Phil Willis from COOR are presenting materials involving job applications, personal data sheets and/or resumes, tips for job hunting and job interviews.

Units to be covered in the remainder of this semester are banking and money management, credit and installment buying, purchasing automobiles and tires, purchasing insurance (automobile, health, life and property).

Guest speakers are invited to the classroom to talk to the students on the various topics we cover in class. Local business people help to contribute valuable consumer ideas and suggestions that are not found in textbooks.

Consumer Education is taught by Gayle Praise. Gayle has been teaching at Grayling High School for six years and is vocationally certified to teach business subjects and is also certified in the Biology-Health fields.

## Visit Tank Shop

On Tuesday, October 12, Mrs. Benson's third grade class went to Camp Grayling's tank shop. We went on a military bus. And we looked in the tanks. Sergeant Golinick and Sergeant Timmins showed us around. And we watched a tank turn around a circle without going out of its place.

## High School Counseling Office

High School Juniors and Seniors and their parents are probably beginning to consider many decisions regarding college and future job plans. There are some things that the High School Counseling Office can do to help you.

1. We have or can obtain catalogues and other information from any college, university or trade school in which you may be interested.

2. We have applications for scholarship and college entrance exams.

Some deadlines Juniors should know are:

Test Date	ACT [American College Testing]	Registration Opens	Closes
April 2, 1977	February 7, 1977	March 7, 1977	
June 19, 1977	April 4, 1977	May 23, 1977	

Test Date	SAT [Scholastic Aptitude Testing]	Deadline
March 26, 1977	February 18, 1977	
May 7, 1977	April 1, 1977	
June 4, 1977	April 29, 1977	

Some deadlines Seniors should know are:

Test Date	ACT [American College Testing]	Registration Opens	Closes
November 20, 1976	October 4, 1976	October 25, 1976	
February 5, 1977	November 22, 1976	January 10, 1977	

Test Date	SAT [Scholastic Aptitude Testing]	Deadline
December 4, 1976	October 29, 1976	
January 22, 1977	December 17, 1976	

3. We have information on jobs and their economic outlook for the future.

4. Seniors who plan to obtain additional training beyond high school should apply for a "Basic Education Opportunity Grant" (B.E.O.G.). These applications will be in our office about February, 1977.

5. Seniors planning on going on to school next year should have their applications in to the schools or colleges before Christmas along with their Financial Aide Applications.

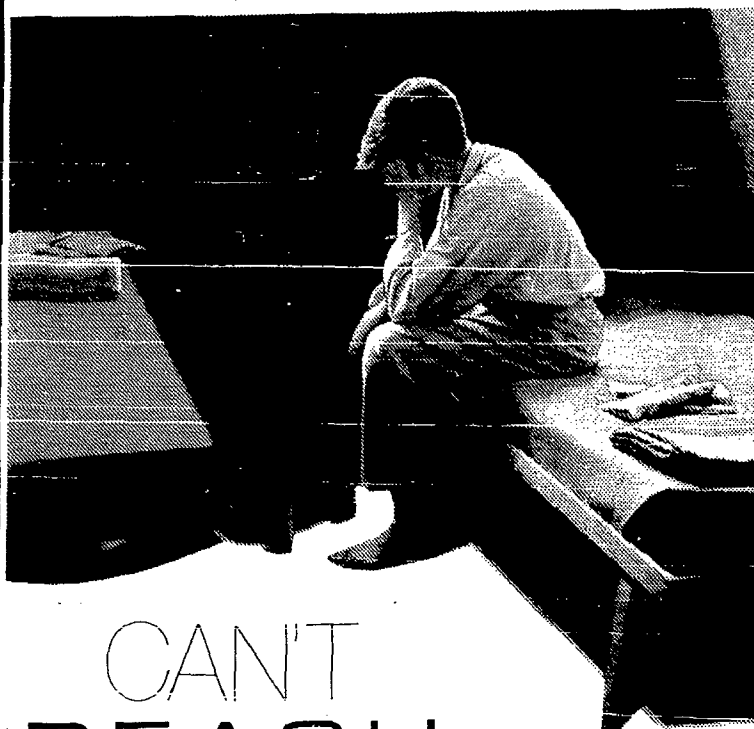

Please help us to serve you more completely by getting your college and job related questions and concerns answered. The school phone number is 348-7641, ext. 40.

# Attend the Church of Your Choice

CAN'T REACH HIM...

They call him a problem child. "Can't reach him," say some. "He won't respond," echo others. Young as he is, he's already been in trouble with the police.

Why? There are lots of words, lots of phrases, to describe youngsters like this. The papers are full of them every day. There are lots of excuses given—for him, and for society. Are they valid?

This boy has parents. Why can't they reach him? Is it, perhaps, because they can't really reach themselves? Because they've never found themselves?

Self-discovery takes courage. It doesn't come easily. It takes help. It demands faith. The starting point for a quest of this kind is in the Church. This boy needs the Church. So do his parents. So, for that matter, do we all!

**EXERCISE YOUR  
RIGHT, HONOR, &  
DUTY TO VOTE IN THE  
NOV. 2nd ELECTIONS**

It is My understanding that approximately 3,000  
registered persons in Crawford County did not vote  
in the August 3, 1976 Primary Election.

# TO THE VOTERS OF CRAWFORD COUNTY

ONCE AGAIN I REPEAT, I AM NOT BACKED, ENDORSED, OR FINANCED BY THE U.A.W. LOCAL 1903 OR THE APPARENT U.A.W. AFFILIATED GROUP CALLING THEMSELVES, "THE CONCERNED CITIZENS FOR BETTER GOVERNMENT."

AS I HAVE STATED BEFORE, I BELIEVE THAT THE ABOVE MENTIONED GROUPS ARE OUT TO TRY TO CONTROL THE LAW ENFORCEMENT OF CRAWFORD COUNTY.

I AM NOT ACCEPTING ANY CAMPAIGN CONTRIBUTIONS. I OWE NO ONE PERSON, GROUP, OR ORGANIZATION. MY ONLY OBLIGATION IS TO THE VOTERS, TAXPAYERS, AND PEOPLE IN GENERAL, IN THIS COUNTY.

CAN THE CANDIDATE OF YOUR CHOICE MAKE THE ABOVE STATEMENTS?

IT'S UP TO ALL LAW ENFORCEMENT OFFICIALS TO REMAIN ABSOLUTELY NEUTRAL, TO NEITHER COURT NOR FAVOR ONE SIDE OR THE OTHER AND ABOVE ALL ELSE, TO ENFORCE THE LAW REGARDLESS OF POLITICAL CONSEQUENCES.

NO MATTER HOW HONEST OR GOOD A CANDIDATE IS, SHOULD HE ALIGN HIMSELF OR ACCEPT FUNDS FROM SPECIAL INTEREST GROUPS, THERE COMES A DAY THAT HE MUST PAY BACK IN FULL.

ON THE SUBJECT OF THE APPARENT U.A.W. AFFILIATED GROUP, CALLING THEMSELVES, "THE CONCERNED CITIZENS FOR BETTER GOVERNMENT," I THINK THEY SHOULD BE MORE INTERESTED IN FORMING A GROUP CALLED "THE CONCERNED CITIZENS TO STOP THE STRIKE RELATED VIOLENCE AND DESTRUCTION OF PRIVATE PROPERTY."

THE ONLY BASIC TRAINING CERTIFICATE I HAVE IS;

OVER 20 YEARS AS THE GRAYLING POLICE CHIEF  
[Street Officer and Department Administrator]

OVER 3½ YEARS AS SHERIFF OF CRAWFORD COUNTY  
[Law Enforcement Officer and Administrator]

A TOTAL OF 24 YEARS AND 3 MONTHS AS A FULL TIME LAW  
ENFORCEMENT OFFICER.

I SWEAR THAT I HAVE COMPLETED THE ABOVE BASIC TRAINING.

*Harold A. Hatfield*

UNFORTUNATELY THE SHERIFF'S JOB IS MORE OF AN ADMINISTRATOR THAN OF A BEAT COP [STREET OFFICER]. I HAVE 7 DIVISIONS IN THE SHERIFF'S DEPARTMENT; LAW ENFORCEMENT, JAIL, AMBULANCE, MARINE, SNOW-MOBILE, YOUTH OFFICER, AND THE DRUG LAB.

IT IS IMPOSSIBLE FOR THE SHERIFF TO ANSWER EVERY CALL AND COMPLAINT, AND STILL BE AVAILABLE AT THE OFFICE, TO ATTEND MEETINGS, AND ADMINISTER THE DEPARTMENT. YOU ARE PAYING THE WAGES OF DEPUTIES TO HANDLE THE MORE ROUTINE MATTERS. [THIS DEPARTMENT HANDLED 3,281 COMPLAINTS IN 1975].

I TRY NOT TO BE OVER 15 TO 20 MINUTES AWAY FROM THE OFFICE, SHOULD I BE NEEDED. THERE ARE TIMES THAT DEPARTMENT BUSINESS TAKES ME AWAY FROM THE OFFICE, AND IT IS NOT POSSIBLE FOR ME TO RETURN FOR SOME TIME.

SINCE THE FIRST OF THE YEAR, I HAVE NOT BEEN OUT OF THE COUNTY FOR MORE THAN 8 HOURS AT ANY ONE TIME ON PERSONAL BUSINESS. SINCE I TOOK OFFICE IN 1973, I HAVE NOT BEEN OUT OF THE COUNTY ON PERSONAL BUSINESS FOR MORE THAN 6 DAYS IN ANY ONE YEAR [NO MORE THAN 4 DAYS AT ANY ONE TIME].

I AM SURE YOU MUST KNOW BY NOW, THAT I HAVE BEEN AVAILABLE, ESPECIALLY THOSE WHO CALLED ME DURING THE NIGHT.

I AM NOT A POLITICIAN OR A GLADHANDER. IF THAT IS WHAT YOU WANT IN THE WAY OF A SHERIFF, THEN I MAY NOT BE THE CANDIDATE FOR YOU.

SHOULD YOU WANT A POLICE OFFICER AND ADMINISTRATOR, WHO HAS GIVEN YOU STRONG AND HONEST LAW ENFORCEMENT FOR OVER 24 YEARS THEN I BELIEVE, I AM YOUR MAN.

Dear Whitley:

I would like to publicly thank Mr. and Mrs. Harrison Goodhue for the many hours they have given and are giving to the Red Cross Program. Much planning and long hours of work go into managing the Blood-Bank Program and most recently the Swine-Flu Clinics. Our community owes them both a big thank you for a job well done.

**Editor's Mailbox**

Dear Whitley:

I would like to take this opportunity to speak out in favor of the passage of proposal "A". I have observed the efforts of the industry as they spend millions of dollars on their massive advertising campaign, and their most solid stand is to confuse the public on the truth of the issue.

Let me make some points representing someone who has nothing to gain by the passage of Proposal "A", except a cleaner environment, more efficient use of natural resources resulting in less waste and greater economy. In other words the same things you have to gain by the passage of this bill.

I think the most informing fact about the proposal is the experience of the State of Oregon. They passed a similar bill in 1972 and since then litter has been reduced substantially, energy to make new containers has been conserved, new jobs created and consumers have saved money.

Dr. Bruce Hannan, of the University of Illinois, measured the amount of heat (coal and petroleum) needed to convert sand and aluminum ore into glass and sheet metal for bottles and cans. He found the net savings of electricity in Oregon during the first year of the bottle bill was enough to provide the home heating needs of a city of 46,000.

It is also apparent that new jobs would be created out of passage of proposal "A" in areas such as trucking, warehousing and retailing. Contrary to the industry claims, the EPA reports that more jobs will disappear through continued expansion of the throwaway container system. Another claim by the industry is increased cost to the consumer. The president of Coca-Cola, USA testified before Congress that "Coke sold in food stores in non-returnable packages is priced 30 to 40 percent higher than Coke in returnable bottles. The difference lies essentially in the different cost of packaging. The cost of returnables is spread over many uses: the cost of non-returnables is absorbed in one use."

To summarize, if you want less litter, more economical use of natural resources, reduced energy consumption, lower prices and the establishment of new jobs, all for the simple procedure of returning your bottles, then please support proposal "A", Vote "Yes".

**Many Thanks**

Dear Grayling Friends,

Now after a couple of weeks Corrine and I are just beginning to come down out of the clouds after that very special day the Grayling people gave us.

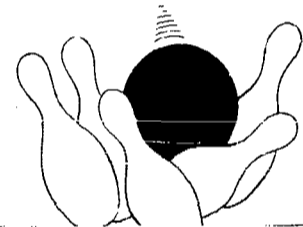

We know there are very many people we could not see to thank personally so would like to take this opportunity to do so.

We can't begin to tell you of all the pleasant experiences beginning back in 1948 when we first came to Grayling. The wonderful years as we got to know the people and their children and topping off all those good times on Sept. 25 with a Bruce Smith day. It was nice to see so many old friends, students, athletes and receiving so many cards and letters from well wishers, it was almost unbelievable.

We know we can never thank you adequately. You have made two people so very proud and grateful. All we can humbly say is thank you Grayling for a wonderful life. We were so fortunate to have come your way.

## Attention Beaver Creek Township Voters

Due to the circumstances the Township is in, I will be running for the Office of Supervisor on slips.

I feel the Township needs someone in the Office of Supervisor that is dedicated to the Township and also has experience of the workings of the Township Board.

I have been on the Township Board for the past six years. Here is a list of the acts that I was responsible for, or helped with in the last two years:

I was responsible for getting 1/10 of a mill more of the money collected on property tax for county, and schools, to be given back to the Township.

I helped to get new grave lots plotted in the Township cemetery.

I got the National Guard to help erect the new cemetery fence and I was on the crew that put up the fence. A savings of \$500.00 to \$1000.00 for the Township.

I brought all old records of the Township cemetery up to date in my spare time, at no charge to the Township.

I helped to move the opening and closing of graves back to the Township by becoming the Township Sexton.

I tried to get the Township to vote on a Township Fire Department, and wanted to start our own Sanitary Department, so the Township would not lose \$3000.00 a year in Federal Revenue Sharing.

I helped to get the annual Township picnic started again.

I tried to get a new Township Park.

I helped to get Switzer Subdivision started on an assessor plat.

Since I have taken office of Treasurer I have brought all three accounts to balance. They never were in the past.

I collected all personal property taxes due the school, county and township, that were delinquent when I took the office of Treasurer. This was a total of \$2,103.60, which were left unpaid for four years and no action was taken by the previous Treasurer to collect them.

I have most of the names and addresses on the tax receipts up to date, hardly any were two years ago.

I collected \$130,000.00 in my home last year as Treasurer, every penny was accounted for. It had not been that way in the past.

I have worked hard at the job as Treasurer, a lot of people do not realize this. There are a few people [because of the job that I have done in the office of Treasurer] that are jealous and have been telling lies about me. I hope that any person that is lead to believe these lies would call me or better yet, come to my house and look at these records. I have made a few mistakes as Treasurer, I have also found most of the mistakes myself, never was there a dishonest mistake. It is impossible to be dishonest by yourself in Township Government, the Clerk and Treasurer have to be dishonest together.

I am making this change and running for Supervisor because of the fact that John Small does not want this job. If he did I would still be seeking the office of Treasurer. I feel the office of Supervisor is a very important job and needs someone with a lot of dedication.

This fall, whether or not I am Supervisor, I will be attending Kirtland Community College and taking the assessors course. I feel the Township assessing should stay in the Township.

The Story of the Revolutionary War in the Old Northwest

By Gordon G. Beld

In theory, the British plan for a three-pronged invasion of the West in 1780 promised an end to American influence in that region. But when carried out, it produced only frustration, futility and failure.

The way it was laid out on paper, General John Campbell would lead an army and fleet up the Mississippi from its mouth while another force would descend the river from the north, capturing the Spanish post of St. Louis en route to a linkup with Campbell. Meanwhile, another expedition from Detroit would strike George Rogers Clark's important base at the Falls of the Ohio.

In reality, it didn't come off that way. Campbell never got started on his mission. Rather than leading the expedition up the Mississippi, he surrendered Pensacola to a Spanish army that also conquered Manchac, Baton Rouge, Matchez and Mobile. Captain Henry Bird, who was assigned the task of moving against Clark's post at the Falls of the Ohio (now Louisville), started out with a large number of Indians. However, he was unable to control them and ended up attacking a couple of comparatively insignificant Kentucky settlements — Rudle's and Martin's stations — rather than the base at the Ohio falls.

The assault from the north went more according to plan — until the invaders reached St. Louis, a village of about 120 houses and a population of 800.

Prairie du Chien, then a trading center and now a Wisconsin city near the junction of the Wisconsin and Mississippi rivers, was the rendezvous point for the expedition. The man who was in charge was Emanuel Hesse, a British trader who assembled Fox, Menominee, Sauk and Winnebago Indians at the portage of the Fox and Wisconsin rivers and then descended the Wisconsin with them to Prairie du Chien. At that point they were met by a band of Sioux Indians from the Lake Superior region under the leadership of Chief Wabashaw and a party of Chippewa led by Matchekewis. With the rank of general and wearing the red coat and epaulets of a British officer, he was in charge of all Indians participating in the assault.

Meanwhile Charles Langlade, a trader with considerable influence among the Wisconsin tribes, gathered a force of Indians and traders at Chicago and headed toward St. Louis by way of the Illinois River. While these units moved toward their target, a band of Ottawa

Indians started into the plains of southern Illinois to cut off any possible assistance for the Mississippi settlements from Vincennes.

As the main force moved south from Prairie du Chien it captured at the mouth of Turkey River an American trader and Creole crew with a barge loaded with provisions. At the lead mines near present-day Galena, Ill., 17 prisoners were taken and a shipment of 50 tons of lead ore was blocked.

But the Spanish and Americans had learned of the threatened assault on St. Louis and the nearby Illinois country settlements on the east side of the Mississippi. Thus, by the time the attackers arrived at St. Louis on May 26, defenses had been erected — including a platform with five cannons on it at one end of the town. With this unexpected resistance, the invaders succeeded only in burning some cabins on the outskirts of the village and killing about a dozen persons. Frustrated at St. Louis, several of the Indians scattered across the surrounding countryside and wreaked havoc on farmers. A small detachment crossed the Mississippi to attack Cahokia but was similarly unsuccessful.

George Rogers Clark had arrived at Cahokia the day before the attack, and it is believed that knowledge of his presence in the region prompted the hasty withdrawal of the invaders after their rather feeble attempts to attain their objective. Most of them retreated rapidly, reversing the routes they had previously taken. Some went up the Mississippi and others up the Illinois.

## Jehovah's To Meet

Jehovah's Witnesses from the Grayling congregation are planning to attend a two-day christian seminar on October 30 and 31 at Holt, Michigan. They will join an estimated 1,400 delegates from all of northern Michigan as they convene at the Jehovah's Witnesses Assembly Hall.

The theme of the seminar will be "rendering sacred service with your power of reason." (Romans 12:1,2) on Sunday morning newly dedicated ones will be baptized.

Mr. John Casino from the world headquarters of Jehovah's Witnesses in New York will deliver the keynote address on Sunday at 2:00 p.m. entitled - "Keep Seeking God's Kingdom." The talk will be based on Jesus' sermon on the mount recorded in the bible book of Matthew chapters 5-7.

The public is invited to attend all sessions free of charge.

### PROPOSAL C

PROPOSAL TO LIMIT ALL STATE TAXES AND SPENDING TO 8.3 PERCENT OF THE COMBINED PERSONAL INCOME OF MICHIGAN.

THE PROPOSED AMENDMENT WOULD:

- (a) Limit all state taxes and spending to 8.3% of combined personal income of Michigan, except taxes for repayment of bonds. State taxes means all state revenue, excluding federal aid;
- (b) Provide for refund of excess revenue to individual taxpayers;
- (c) Permit 8.3% limitation to be exceeded only if Governor declares specific emergency approved by 2/3 vote of legislature;
- (d) Prohibit state adopting or expanding local programs without full state funding;
- (e) Prohibit state from reducing existing level of aid to local governments, taken as a group;
- (f) Prohibit local governments from increasing existing taxes without voter approval;
- (g) Provide for implementation by the legislature.

## Diamond Cutter Utilizes Ancient Methods

By Robyn Carmichael  
Diamonds are forever - unless the diamond cutter makes a mistake, said 22-year-old Thomas Mills, who makes his living carving the

world's hardest gems. "Aside from what nature has created originally, the cutter has total control over a diamond's value. He can make a rough stone infinitely

more valuable, or worthless," he added.

Mills is in Grayling to demonstrate his diamond-cutting skills at Davis Jewellery, downtown Grayling, at the clock on October 29th and 30th, Friday and Saturday from 11 to 9 Friday and 10 to 5:30 Saturday.

Is the job as nerve-racking as it is often described?

"Let me put it this way: The guy who cleaved one of the world's largest diamonds took two taps with his hammer and fainted dead away," Mills said, grinning.

While he has seen diamonds shatter during the cutting process, Mills said many so-called "mistakes" can be salvaged by simply cutting them into smaller stones.

### Nevada School

A native of Wheaton, Ill., Mills is a graduate of the American School of Diamond Cutting in Gardnerville, Nev.

"As far as I know, that's the only school where you can learn diamond cutting," he said. "Most of the trade is centered in New York, where it is a family tradition passed on from father to son."

Mills studied at the school for two years before investing in his own equipment and becoming a free-lance cutter.

He has no desire to go to New York, he said, "despite the fact that probably 90 per cent of the fine jewelry made in the U.S. comes from there because that's where the European craftsmen first settled."

"Most cutters in New York work on production lines where one man will finish one part of the diamond and it is passed on to the next man who will do another part of the work."

Mills likes the idea of taking a rough stone from start to finish by himself.

### Tang and Dops

Mills' tools include a cast iron wheel, a wooden tang (pronounced tongue), which holds the adjustable copper wire upon which the dops rest. Dops are designed to hold the diamond at different angles.

When the diamond is in position on the dop, Mills prepares the iron wheel with a solution of olive oil and diamond dust.

"The olive oil is the carrier. It's the dust which does the cutting, since diamonds can only be cut by diamonds," he explained.

The wheel is motorized and spins at a rate of 2,500 revolutions per minute.

Diamond-cutting methods have remained virtually unchanged since ancient times, except for the invention of motorized wheels and calibrated instruments, Mills said.

"In olden times, cutters had women turn the wheel for them," he said.

### Those Facets

To cut a diamond, the cutter first evaluates the rough stone and then decides whether to shape it whole or cut it into different stones.

"He wants to get the largest and most brilliant gem possible from that stone."

Next he puts in a "window" facet, which allows him to look inside the diamond, further checking the quality and shape.

Then comes the girdling process, using a lathe and an industrial diamond-tipped cutter with which he knocks off high spots and gives the diamond its basic finished shape, such as round, marquise, pear-shaped or emerald.

Back at the wheel, the cutter blocks the diamond by putting in nine facets in the top and nine in the bottom.

The final process is known as brilliantizing, putting in smaller facets on the blocking facets to make the diamond more prismatic.

Facets must be smooth, since warped surfaces distort light rays.

"Most round stones have 58 facets, 33 on top and 25 on the bottom, which is the accepted world standard and allows the most light to reflect from the top of the stone," Mills said.

He estimated it would take him about one day to complete a single carat stone.

## NON-PARTISAN CANDIDATE FOR PROBATE JUDGE

### AN OPEN LETTER TO THE PEOPLE OF CRAWFORD COUNTY:

Many times during this campaign, I have been asked why I am running for Probate Judge, and if I am elected, what I would do differently?

I have practiced in nine different Probate Courts as both an Estate Attorney and an Attorney for Juveniles. I have seen how other Courts operate and I have also seen the Crawford County Probate Court operate. I believe I can give the people of Crawford County a better Probate Court.

### SIMPLY PUT, I BELIEVE I CAN DO A BETTER JOB.

Presently, the Probate Court is the only Court in the County that is not open five days a week. I believe the citizens of Crawford County are entitled to a Court that is open five days a week, and a Judge that is available 24 hours a day, which is a requirement of the job.

I don't believe the cost of running the Court five days a week will be any different than the cost of running it three days a week. The present Court has a proposed budget increase of 31% for the coming year without an increase in the amount of time the Court will be open. I believe that the proposed \$1,220.00 increase in the Judge's salary will more than compensate for the two additional days the Court would be open.

I am also acutely aware of the increasing problems with juveniles and am prepared to meet that problem head on. I will not side step the issue in the hope that it will correct itself. There are agencies with competent people who stand ready to assist the Court and those people and agencies look to the Probate Court for guidance. I promise to use and help these agencies whenever and wherever necessary. The problem isn't merely what we can do to youth but what we can do for them. I will use a firm, but fair, hand in all juvenile matters.

I believe that the Probate procedures regarding estates are looked on with suspicion because of past incidents where estates were not handled properly. I believe that your estates can be processed by the Court in a fast and efficient manner and I will personally follow each estate's progress.

Because I firmly believe that I can fulfill these promises, I am asking that you grant me the opportunity by voting for David R. Sabin for Probate Judge.

*David R. Sabin*

P.S. I can make one additional promise that will be absolutely, without question, fulfilled — all of the Dave Sabin for Probate Judge signs will be removed immediately after the election so that we can all enjoy the natural appearance of our County again.

## Eagles News

The F. O. E. of Grayling Aerie No. 3465 held its 4th anniversary party October 16th and 17th, 1976; also celebrating their first year in their own building at 602 Huron St. The Aerie initiated five new members on Saturday night. Music and dancing followed and a grand time was had by all.

On Sunday afternoon, the Ladies Auxiliary served a delicious dinner as usual. Thanks again, gals. Music and dancing followed the dinner.

Thanks to all who attended and a special thanks to all who worked so hard to make it a success. I know the bartenders appreciate Bernie Conflitti for working all week in their place.

The door prize was won by Nancy Gunderson of Grayling.

Among the honored guests were Mr. and Mrs. Joe Cook, Worthy State President from Hart; Mr. and Mrs. Dick Warren, State Aerie Chaplin from Gaylord; District 8 Chairman Carl Bradley from Boyne City and I. Kellso, also from Boyne City.

The Ladies Auxiliary are planning on taking the Madam State President Jean Roby out to dinner on November 2nd when she visits us. Any Auxiliary member who wishes to attend, please contact D. Pickering, 348-5356, or call and leave your name and number at the Aerie Hall for more information. Remember, if you attend meetings, you're in the know of what's going on in your club.

The meetings are: Aerie, 2nd and 4th Mondays of each month at 8:00 p.m.; Auxiliary, 2nd and 4th Thursdays of each month at 8:00 p.m.

## Girl Scout Council Meets

The Big Waters Girl Scout Council held their semi-annual Council meeting at the Thunderbird Inn, Wednesday night, October 20. Representatives of the eight-county Council met to elect the new Board of Directors and to learn of the Council's progress in the areas of program, camp and leadership.

The highlight of the evening was the recognition of Arlene Thomas of Rogers City for twenty five years of dedication to the Girl Scout program.

Mrs. Thomas was elected First Vice-president, a position she held in 1962 when the Big Waters Council was first formed. Also elected to the Board were Jan Tobin of Gaylord, Florence Tripp of Hillman, Kathryn Ormsbee of Onaway; and from the Alpena area, Judy Dixon, Gladys Eshenroder, Carl Woloszyk, Alan Reed and Roger Mendel.

Cindy Precord of Troop 18 spoke about her trip to the Philadelphia Int'l. Congress '76, and Amy Sorgenfrei of Troop 142 reported on the Wyoming Trek, a two-week camping experience including horseback riding and hiking.

REMINDER...With election day just around the corner, Jeanine Towey takes to the surf at Daytona Beach, Fla. to let everyone know the patriotic thing to do is vote for the candidates of your choice November 2.

## Two Words To The Wise ...

Our name is First Savings and Loan. And when it comes to saving or borrowing, you can't do better anywhere else.

Take our 5 1/4% interest passbook savings account. Interest is paid daily and compounded quarterly giving you a 5.35% annual yield.

And you can't beat our certificate savings either. Four different accounts paying the highest interest in Michigan. You'll find no one pays more and some pay less.

When it comes to borrowing, we're mortgage experts. If you're looking for a consumer loan, or a home improvement loan, we have those, too, for almost anything you can imagine. And our rates are more than competitive.

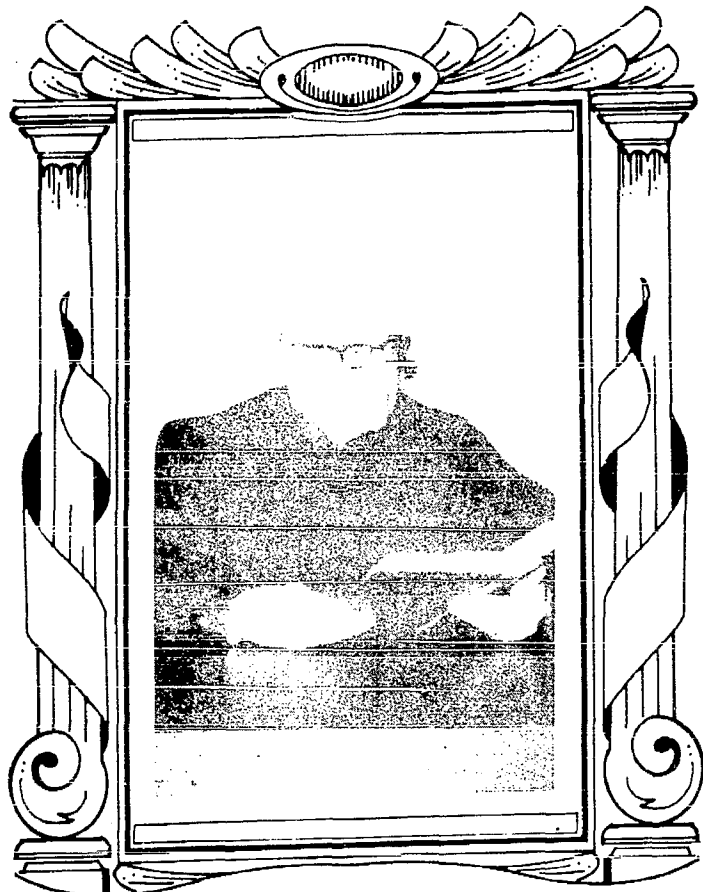

When it comes to saving or borrowing, remember First Savings and Loan. Like our name says, we're first. So, why settle for second best?

## A New Program for Change

"A lot of people in the 11th district believe things are going to get worse before they get better in Northern Michigan. I do not share this belief.

"The conditions for improving the quality of life here already exist. There is still plenty of copper and iron beneath the soil, our forests continually renew themselves, there is unparalleled natural beauty to attract visitors, and improved transportation would make it possible for new industry to become part of our economy.

"But we don't seem to be getting anywhere. Unemployment is higher now than it was two years ago. This means that our mines, forests, and industries are not producing at full capacity. What's more, high unemployment steals from everybody by adding to the welfare rolls.

"The people of Michigan get 65¢ back on every tax dollar paid to the federal government. Not only is this the lowest return on the tax dollar of any of the 50 states, but it means the federal government is not reinvesting its tax dollar to help solve our problems in Northern Michigan.

"It will take many people working together to pull the 11th district up by its bootstraps. Something has gone wrong. Government is supposed to solve problems, not create them."

## "The issue is LEADERSHIP"

Why are Project Seafarer, Reserve Mining, and Unemployment chronic and unresolved problems in Northern Michigan? Why is the 11th district faced with new problems this year, problems CREATED in Washington like the closing of Kincheloe and Wurtsmith and the dumping of Nuclear Waste? Why? Because we lack effective leadership. Fran Brouillette can provide the fighting, decisive, persuasive leadership needed to solve those problems.

## Seafarer

Fran Brouillette says, "My position concerning the installation of Project Seafarer in 1974 was endorsed by the Upper Peninsula Citizens Concerned About Sanguine. Now in 1976 I have persuaded Representatives Jack Gingrass, Rusty Hellman, and Dominic Jacobetti, Speaker of the House Bobby Crim, and Senate Majority Leader Bill Fitzgerald to share my opposition.

"At my suggestion, they introduced and passed a joint resolution of the State House and Senate calling on the Governor to exercise his veto over the project. Even though I am a candidate and not yet a Congressman, I feel I have a solid record of achievement on this issue."

The editors of the Marquette Mining Journal say of the incumbent:

"Ruppe, however, is not so lilywhite in his opposition to Seafarer as he would have his constituents believe. Two years ago he was at his finest, privately telling supporters he was for it, while waffling on the issue publicly.

"His posture changed as November's election drew near. Sensing indecision or outright opposition to Seafarer by a majority of his constituents, he said he would oppose the project unless the Navy agreed to abide by a vote of the people — an idiotic position, because the Navy could not meet that condition if it wanted to.

"Finally, with challenger Francis Brouillette hot on his heels, Ruppe came out this summer '100 per cent' against Project Seafarer."

— Marquette Mining Journal, 9/18/76

## Reserve Mining

Fran Brouillette says, "When I first ran for Congress, I proposed that the federal government pass legislation to halt the dumping of tailings containing asbestos fibers into Lake Superior. Two years later Reserve is still dumping. Legislation could have been introduced and passed by an effective Congressman to stop Reserve.

"If an on-land disposal site is too costly, federal financing and repayment must be arranged. The federal government gave permission to Reserve to dump in Lake Superior; it must therefore assume a fair share of the responsibility to correct the situation and keep the workers at their jobs."

The incumbent waited from January 1, 1967 until June 14, 1976 (five months before the election) to introduce legislation to "stop" the pollution. The legislation provides a \$1,000 a day fine for continued pollution. This is a mere slap on the wrist. Ruppe's action has been too little and too late on a problem that may have effects reaching far into the future.

## Unemployment

Fran Brouillette says, "It's time our Congressman gave an accounting of his stewardship. If he could take credit back in 1974 for the district's seven per cent rate of unemployment, then he must also accept responsibility for the 1976 average unemployment level of twelve per cent.

"The tragic thing is that Northern Michigan has never fully joined in the prosperity that many parts of the nation enjoy. This part of the country was built by miners and foresters, but now over 2,000 people seeking jobs in these fields cannot find work. It is time to send a new voice to Washington."

## Kincheloe/Wurtsmith

Fran Brouillette says, "It is typical of the insensitivity of big government to local problems that the Department of Defense's alternative to closing Kincheloe is to close another 11th district base, Wurtsmith.

"Unemployment has increased from 13% to 19% in Chippewa County since 1972. In Iosco County it has increased to 9%. Having so many people out of work is totally unacceptable in itself, but to have the Department of Defense threaten the collapse of local economies already weakened by conditions of inflation and recession they have no control over surpasses belief.

"Strong measures must be taken immediately to insure that the people of Chippewa or Iosco county do not pay the price of a decision they have little or no voice in. Either both bases must continue to be a vital part of the 11th district economy, or the federal government, working with local people, must make good the economic and human cost of their discontinuation."

## Alpena Nuclear Dump

The northern Lower Peninsula is being considered by the Energy Research and Development Administration of the federal government as a possible location for dumping nuclear waste. Fran Brouillette is opposed to this plan and believes the majority of residents in the area concur.

He says, "Much sentiment opposing the proposed nuclear waste dumping has been expressed to me as I have campaigned in that portion of the 11th district. It is the responsibility of government to listen to the voice of the people and to abide by their wishes."

Accordingly, Fran Brouillette has asked the counties to place the question on the ballot as an advisory referendum. Four counties have already done so.

A good Congressman can foster cooperation between industry and government to create jobs. He can also stop the government from making Northern Michigan a dumping ground.

## Congressional Pay Raise

Fran Brouillette says, "On July 30, 1975, the House of Representatives passed a bill granting themselves an automatic pay raise based on increases in the cost of living. My opponent voted for the bill, which passed by one vote, 214 to 213. If I had been your Congressman the bill would have failed to pass because I would have voted against it. Congress causes inflation and has insulated itself against its effects. Tell our Congressman if you approve on November 2nd."
